Enigmatic candy manufacturer Willy Wonka (Gene Wilder) stages a contest by hiding five golden tickets in five of his scrumptious candy bars. Whoever comes up with these tickets will win a free tour of the Wonka factory, as well as a lifetime supply of candy. Four of the five winning children are insufferable brats: the fifth is a likeable young lad named Charlie Bucket (Peter Ostrum), who takes the tour in the company of his equally amiable grandfather (Jack Albertson). Join us at 7pm for a special event with Peter Ostrum, the former child actor who played the role of Charlie Bucket in the 1971 motion picture Willy Wonka & the Chocolate Factory followed by a screening of the film.
