The first annual Conference for Enlightenment will bring highly respected lecturers, authors, artists and community leaders together for an amazing two-day event. This conference will seek to ignite, invigorate, and inspire!

Our goal is to empower and help others succeed in their personal, and professional lives. We do this by providing presentations that will encourage our attendees to use this powerful opportunity to connect with like-minds, absorb information to help develop personal strategies, and get an array of knowledge and wisdom from today's preeminent speakers.

The Conference for Enlightenment will take place on September 7-8, 2013, at the KRST Unity Center located in Los Angeles, California. This venue offers a perfect location that provides an inviting and inspiring setting for a conference of this magnitude.

Each presenter has a specific expertise in creating the groundwork to ignite the light within all of us!
