IRWINDALE CHAMBER OF COMMERCE

Business of the Month
Nomination Form for Premiere Career College

1. BUSINESS ACCOMPLISHMENTS:

Premiere Career College is the fulfillment of a dream of dedicated educators who for almost four decades have devoted their lives to promoting a sincere, honest, and student-oriented vocational training. Since 1979, Fe Ludovico-Aragon and Enrique Aragon have been involved in allied health education. Their passion for quality vocational training grew when they saw how it drastically improved the quality of students' lives.

Witnessing displaced homemakers, dislocated and injured workers, migrants from underprivileged countries, and young people in general become successful and productive members of society inspired them to pioneer quality vocational training programs. Soon, their vision became a reality. In November 1991, loaded with hope and enthusiasm, Premiere Career College was born. The College officially opened and the first classes started in March, 1992. For more than two decades, it has trained and placed thousands of students from all walks of life into productive occupations.

Premiere Career College received its initial grant of accreditation from the Accrediting Council for Independent Colleges and Schools (ACICS) on September 29, 1995 through December 31, 1998.

In April, 1998 before the initial grant expired, the college was reevaluated and was granted a new grant of accreditation through December 31, 2004.

In May 2004, after an evaluation of the college for its application for the renewal of its new grant of accreditation before its expiration in December 2004, it was awarded eight years (through December 31, 2012) which at that time was the longest award any institution could receive. In addition, Premiere Career College was recognized as an HONOR ROLL INSTITUTION with DISTINCTION. It was awarded a PLAQUE of recognition at the ACICS Annual Meeting in Orlando, Florida on June 16, 2004.

In August 2012 before the expiration of its current accreditation and after it was evaluated again, the college was awarded a NEW grant of accreditation through December 31, 2018. For the second time, Premiere Career College was again recognized by ACICS as an HONOR ROLL INSTITUTION with DISTINCTION. In its letter to the college, ACICS, congratulated the school for demonstrating exemplary standards and a clear understanding of the accreditation criteria.
The college was honored at the ACICS Annual Meeting in Las Vegas, Nevada on November 11, 2012.

In June 2016, the college applied to the Accrediting Bureau of Health Education Schools (ABHES) for an initial grant of institutional accreditation. In November 2016, ABHES wrote a letter of commendation to Premiere Career College for undergoing an onsite evaluation team visit in 2016

(November 2, 3) in pursuit of an initial grant of institutional accreditation that resulted in "ZERO" standard violations.

ABHES also invited representatives of Premiere Career College to attend its 14th annual National Conference on Allied Health Education which was held February 22-24, 2017, in Palm Springs, California where the college was formally recognized for its outstanding accomplishments.

In February 2017 ABHES Awarded the college the Certificate of Accreditation as an ABHES accredited institutional school effective February 6, 2017 to February 28, 2020

On the same date, February 6, 2017 in a letter to the interim President of ACICS, the college voluntarily withdrew its institutional accreditation from the Accrediting Council for Independent Colleges and Schools, (ACICS).

INSTITUTIONAL ACCREDITATION

The following programs are included in the ABHES Institutional grant of accreditation:

PROGRAM NAME	TOTAL CLOCK HOURS	LENGTH (Weeks)	CREDIT HOURS (Semester)	METHOD OF DELIVERY	Credential Awarded
Financial Records Processor	600.00	24	26.5	Residential	Diploma
General Office Assistant / Business Computer Applications	600.00	24	26.5	Residential	Diploma
Hospital Central Service Techinican	800.00	30	38	Residential	Diploma
Medical Assistant - Back Office	660.00	24	27.5	Residential	Diploma
Medical Assistant - Front and Back Office	900.00	34	39	Residential	Diploma
Medical Assistant - Front Office	760.00	28	32	Residential	Diploma
Surgical Technology	1,400.00	54	64.5	Residential	Diploma
Vocational Nursing	1,802.00	60	77	Residential	Diploma

Accreditation by ABHES signifies that the institution has met the eligibility criteria and evaluation standards of ABHES.

ABHES is a nationally recognized accrediting agency by the United States Department of Education.

PROGRAMMATIC ACCREDITATIONS:

- **The Vocational Nursing program is accredited by the California Board of Vocational Nursing and Psychiatric Technicians (BVNPT).** A certificate of approval was issued to the college for the four year period, from November 20, 2015 through November 19, 2019. Accreditation by BVNPT is based on the program's compliance with Article 5 of the Vocational Nursing Rules and Regulations. The Office of the Board of Vocational Nursing and Psychiatric Technicians is located at:

  Board of Vocational Nursing and Psychiatric Technicians
  2532 Capitol Oaks Drive, Suite 205
  Sacramento, CA 95833
  www.bvnpt.ca.gov

- **The Surgical Technology program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP).** CAAHEP accredits programs upon the recommendation of the Accreditation Review Committee on Education in Surgical Technology. CAAHEP, the American College of Surgeons, and the Association of Surgical Technologists cooperate to establish, maintain and promote appropriate standards of quality for educational programs in surgical technology.

  This program was awarded a ten (10) year grant, the longest possible award that could be given to any program of this type. The Office of the Commission on Accreditation of Allied Health Education Programs is located at:

  Commission on Accreditation of Allied Health Education Programs
  1361 Park Street
  Clearwater, FL 33756
  Tel: 727.210.2350
  Fax: 727.210.2354
  www.caahep.org

  The Surgical Technology program is also programmatically recognized by The Accrediting Bureau of Health Education Schools (ABHES). The Accrediting Bureau of Health Education Schools (ABHES) can be reached at:

  Accrediting Bureau of Health Education Schools
  7777 Leesburg Pike, Suite 314 North
  Falls Church, Virginia 22043
  Tel: 703.917.9503
  Fax: 703.917.4109
  E-mail: info@abhes.org
  www.abhes.org

- **The Hospital Central Service Technician program is recognized by the International Association of Healthcare Central Service Materiel Management (IAHCSMM).** All qualified graduates of the program may take the IAHCSMM Certification Examination. This is one of the very few programs in Southern California that is recognized by an international accrediting agency.
  See www.iahcsmm.org.

APPROVAL TO OPERATE AN ACCREDITED INSTITUTION #1921251

The Bureau for Private Postsecondary Education (Bureau) completed the review of Premiere Career College's application for approval to operate an accredited institution, received on February 14, 2017. The information included with the application was determined to be in compliance with the requirements of Title 5, California Code of Regulations (CCR) section 71390. Therefore, Premiere Career College is granted approval to operate under the terms of California Education Code (CEC) section 94890(a)(1) until February 28, 2021 per CEC section 94890(b).

This approval is coterminous with the institutions' term of accreditation granted by the Accrediting Bureau of Health Education Schools (ABHES).

Premiere Career College is required to maintain compliance with the California Private Postsecondary Education Act of 2009 and Title 5, California Code of Regulations 7.5 Private Postsecondary Education and is subject to inspection by Bureau staff at any time for the purpose of monitoring compliance.

Premiere Career College is approved to offer the programs on the most recent "Approved Educational Program List" at the 12901 Ramona Boulevard, Irwindale, CA 91706.

INSTRUCTIONAL FACILITIES AND EQUIPMENT

Since inception in 1991, Premiere Career College has been located, faithfully serving its community, at 12901 Ramona Boulevard. For the last 27 years the College's physical plant (inside and out) has been beautifully maintained. It provides a safe, clean, comfortable, learning/ working – conducive abode to all its students, employees, affiliates and guests.

The College is located in the business center of the City of Irwindale, in the East San Gabriel Valley. It is adjacent to the business and population centers of Baldwin Park, Arcadia, Monrovia, Duarte, Rosemead, El Monte, Whittier, West Covina, Azusa, Covina, Glendora, San Dimas, Walnut, City of Industry, Rowland Heights, and La Puente. There are at least eighty (80) publicly-accessible libraries within a fifteen (15) mile radius from the College; a list of these facilities is available in the student center.

The College is readily accessible from the San Gabriel (605), San Bernardino (10), and the Foothill (210) freeways. It has plenty of parking spaces for its students, staff, and guests located in front, at the sides, and rear of the building.

The College is housed in a modern 22,410 square foot building divided into eleven (11) large, adjacent and connected suites (A-K). Within the suites are ten (10) lecture rooms; one (1) computer laboratory; one (1) operating suite; one (1) simulated doctor's office/examination room; one (1) nursing skills laboratory (simulated hospital suite); one (1) nursing simulation room with computerized mannequins (obstetric); one (1) simulated EKG room; one(1) instrument processing lab; four (4) supply rooms; one (1) career development/ student center; learning/resource center; reception areas; student/faculty/staff lounges with vending machines, microwave ovens and drinking fountains; restroom facilities in all the suites; office for administration, admissions, financial aid, student services; reading rooms for students and staff; a file room; and one (1) conference room. All the lecture rooms have motorized screens, LCD projectors and wireless desktop computers. All suites are wired for remote internet access.

The facility is centrally air conditioned, equipped with smoke detectors and a sprinkler system. It also has CCTV cameras around and inside the building and a security/alarm system monitored 24/7. It also has provisions for the physically challenged. It meets the appropriate city, fire, health, and building codes.

Business Education classrooms are equipped with microcomputers, printers, calculators, ten-key calculators, LCD and overhead projectors. The Medical Assistant lecture and laboratory rooms have anatomical models and charts, TV/VCR, LCD and overhead projector, microscopes, autoclaves, sterilizers, wheelchairs, refrigerator, EKG machines, diathermy unit, centrifuge, examination tables, examination light, mayo stand, and weighing scales. The Surgical/Hospital Central Service Technology facility has a simulated operating and instrument room equipped with operating tables, mayo stand, back table, electro-surgical unit, suction machine, foot stool, scrub sink with foot pedals, soap and brush dispensers, medicine cabinets, stainless steel hamper, kick bucket, intravenous fluid poles, and foot operated trash cans. The facility for the Vocational Nursing program includes three (3) lecture rooms that can easily accommodate forty-five (45) students each at any time. A simulated hospital room for in-patients with three (3) hospital beds, bedside and over bed tables and a simulation room with computerized mannequin.

The College provides resource materials, including a collection of up-to-date books, computer application software, reference materials, journals, and professional magazines. There are also audiovisual equipment such as LCD projectors, overhead projectors, VCR, and televisions, in all classrooms. Two (2) Optical Mark Reader (OMR) machines are used to scan and facilitate grading of tests.

STUDENT SERVICES

Orientation

The College provides an orientation for new students which includes an introduction to College personnel, facilities and amenities, and policies and procedures. All new students are required to participate in the orientation program upon completion of their trial period.

Cooperative Learning and Tutoring Assistance

The College's programs use a cooperative learning approach, placing students in teams to reinforce learning activities. Students are also encouraged to form study groups in order to support their learning experience throughout their educational programs. Special tutoring or classes are available to students experiencing academic difficulty. Arrangements should be made with the Program Directors.

Library and Resource Center

The College maintains a library of curriculum-related resources accessible to students during normal College hours. Technical and general education materials, academic and professional periodicals, and audio-visual resources are available to both students and faculty. The Learning Resource Center is a catalog of available educational resources and is accessible at: lrc.premierecollege.edu. In addition, students have borrowing privileges at several local libraries. Internet access is available for research. The Vocational Nursing department maintains a student portal which contains course materials such as syllabuses, slides, handouts, and schedules. Vocational Nursing students are oriented about how to access and use the student portal upon admission into the Vocational Nursing proper. The vocational nursing student portal can be accessed at: studentportal.premierecollege.edu.

A general portal is also maintained for the Surgical Technology, Hospital Central Service Technology, Medical Assistant, General Office Assistant, and Financial Records Processor programs containing syllabi, slides, handouts, and schedules. Students are oriented on how to access and use the student portal during their new student orientation. The general student portal can be accessed at: portal.premierecollege.edu.

Students are oriented to the Resource Center early in their curricula. Faculty makes regular assignments that require use of the center, and students are encouraged to become familiar with the available resources as early as possible. The Resource Center also provides students with a quiet and pleasant environment for study and recreational reading.

Graduation Ceremonies

Three times a year, Premiere Career College holds an elaborate, very well-orchestrated commencement exercises/ graduation ceremonies to honor the students, their families, the affiliates, and the community as a whole.

The achievement of the graduates is celebrated with a ceremony that highlights their hard work and perseverance. The faculty and staff carefully present a program that emphasizes the graduates' progress and accomplishments. Commencement speakers are invited to give inspiration/ motivation for graduates to carry on successfully into the next phase of their professional lives.

The graduates are handed their diplomas and as they walk across the stage they flip the tassels of their caps to symbolize their successful completion of their programs. Graduates who have

earned high scholastic standing and academic excellence are recognized and received plaques/ certificate of honor/ distinction.

The graduates also take a professional oath that encompasses their responsibilities, ethical and professional, to those they serve.

The ceremony ends with the graduates acknowledging the families, friends, who have been instrumental in their journey, by handing them a Red Rose. A symbol of their appreciation and gratitude.

Career and Placement Assistance

The Career Development department provides current students and graduates career placement assistance. These services are provided for the entire hiring process and include the provision of job leads, resume building, interview training, and networking advice. The staff also works with applicants to improve their general marketability.

A successful job search often depends on more than the academic/ professional qualifications of applicants. Other factors such as an applicant's background, personality, extracurricular skills and abilities, and willingness to relocate can influence a hiring decision. A criminal background, lack of legal right to accept employment in the U.S. or lack of high school equivalency—even if the credential was not a requirement for admission into the program—can limit an applicant's employment opportunities. Consequently, the College cannot and does not guarantee placement in a particular position or level of compensation.

Applicants are encouraged to maintain close contact with the Career Development department and to take advantage of the regularly scheduled career development workshops in the Student Center.

Mission

Premiere Career College's mission is to train students from a cross section of academic and economic backgrounds so that they can acquire skills and attitudes that will qualify them to work as entry-level employees of medical/ surgical/ nursing/ business industries and government.

Premiere Career College aims to achieve its mission by providing quality vocational training to all its students by:
1. providing a safe, comfortable and conducive-to-learning environment;
2. utilizing instructional methods which emphasize practical or hands-on training;
3. using state-of-the-art equipment and materials; and
4. hiring only dedicated and qualified instructional and administrative personnel.

It is also the objective of Premiere Career College to regularly assess its success in realizing its mission by constantly monitoring and analyzing the following:
1. knowledge and skills acquired by the student;
2. retention and placement rates; and
3. employers'/graduates' satisfaction.

The College's strength rests in its flexibility and responsiveness to student's intellectual and professional needs. It uses hands-on, real world training with program schedules that accommodate adult learners. When students begin their training, they immediately become part of a community that includes faculty and administrators committed to education in an atmosphere of support and friendship.

The College serves the community with career-oriented programs that are innovative in its curriculum, job intensive in its focus, and responsive to the industry needs.

Our people – students, faculty, and support staff – are our greatest assets. We are one of our nation's most diverse schools. Our students come from different economic, academic, and ethnic backgrounds.

The majority of our faculty members are former practicing physicians here and abroad, licensed nurses (RN's, LVN's), certified surgical technologists, information technologists and experts in the field of business and accounting. They are accessible to students and are supportive of student activities.

We also have experienced support staff devoted to assist the faculty, support the educational programs and help the students. Furthermore, our curricula include scheduling options that offer an opportunity for students with varying needs to find a way to attend school.

In order to maintain our approval to operate, accreditations and quality educational services, the College has a mandatory Annual faculty and Support Staff Development Program. Faculty and Staff are encouraged to do continuing education through webinars, seminars, workshops, continuing education classes. The College pays for fees and expenses incurred by employees. Renewal of licenses and certifications required in specific professions are also subsidized (paid for) by the College.

Memberships:

- California Association of Private Postsecondary Schools (CAPPS)
- Baldwin Park Chamber of Commerce
- Irwindale Chamber of Commerce Cornerstone Club Member
- Association of Surgical Technologists (AST)
- California Central Service Association (CCSA)
- International Association of Healthcare Central Service Materiel Management (IAHCSMM)

AWARDS:

Premiere Career College is honored to receive the following awards:

2017

- Accrediting Bureau of Health Education Schools (ABHES) Accredited Institution Outstanding Achievement Award
  For undergoing an on-site evaluation visit that resulted in ZERO standard violation.

- Best of Irwindale - Medical Training Services
  Business Hall of Fame for
  Being a recipient for 6 Consecutive Years

2016

- The South Bay Workforce Investment Board (SBWIB)
  Recognized Premiere Career College of Achieving Outstanding Performance for the 100% Placement Rate of our Financial Records Processor Program

- Commission on Accreditation of Allied Health Education Programs (CAAHEP)
  Recognized by the Accreditation Review Council on Education in Surgical Technology and Surgical Assisting (ARC/ STSA) and CAAHEP's Board of Directors with substantial compliance with nationally established accreditation standards

TESTIMONIALS:

The following statements are from students, affiliated clinical site staff and the community that shows how our institution's community service program(s) have impacted them on a personal level.

"I just wanted to let you know that we had 52 students register and become potential life savers. Once again, your school always amazes me. Thank you for being an important partner in our mission to save lives. I am looking forward to the next event we do".

- Joyce Valdez
  Community Outreach Specialist
  Be the Match at City of Hope

"The instructors and staff made this school an environment that I was able to thrive in. It was an honor to be taught by so many instructors that are highly educated and experienced and too an interest in my learning and success. Everything you need to succeed is provided or available. The success of each student is a result of their dedication to the process and outcome"

- Ashley A. (Surgical Technology Program)

"I believe that the strength of the program is the hands-on training in class and on externship"

- Fernando Bustamante (HCST)

"Premiere gave me the opportunity to have a better future. The teachers were very nice and great human beings. All the employees are very professional. Thank you all for the support"

- Virginia Villanueva (MAFB)

"Thankful that I was able to attend this College. I know for a fact this institution will never be forgotten for it gave me a "make it or break" opportunity into succeeding into what I wanted. Luckily I made it with the help of my instructor's effort into molding me and letting me grow"

- Ronalyn David (VN)

Thank you for encouraging me, challenging me, and believing in me, it means a lot to have your support. Thank you Premiere and those in student services for your time, encouragement and

believing I can do it! It's been a long road, but I am finally starting. Thanks to you guys for helping me reach my goals."

- Ashley Lopez (ST, CRCST)

"I am very happy with the students who worked with us, and also with the instructor who I witnessed discussed patients with ICU and priorities and critical thinking was discussed by instructor with the students. Students demonstrated own initiative and took action without needing to be told. Students were quick to offer help and assistance to nurses."

- Norwalk Community Hospital

"Students were proactive with patient care even for patients other than their assignments. Great help and appreciated. It was pleasure working with them."

- LAC-USC

2. COMMUNITY SERVICE

Premiere Career College is dedicated to helping the community that we have considered home for the last 27 years. We have provided Allied Health Education and have provided a dedicated workforce in the hospital and medical offices within the 30-50 mile radius from our location. Described below are just some of the community services we have been involved in:

a) Annual Participation and monetary support for medical missions to marginalized communities of Mexico and the Philippines in collaboration with the Far Eastern University Medical Alumni Association headed by Dr. Robinson Baron.
Dr. Robinson Baron is a surgeon in Covina, California and is affiliated with multiple hospitals in the area including Citrus Valley Medical Center – Intercommunity Campus and PIH Health Hospital – Whittier. He received his medical degree and has been in practice for more than 20 years.

b) Participation and Monetary support to the community service activities of St. Francis of Rome located at 501 East Foothill Boulevard, Azusa, California 91702

c) Participation in Relay for Life Events in support of the American Cancer Society fund raising programs for groundbreaking research, crucial patient care programs and education and prevention information.

d) Participation in the National Marrow Donor Program at City of Hope. Our students volunteer to participate in their Be the Match Registry to find a match for bone marrow and blood stem cell transplants for patients suffering from leukemia, lymphoma and other life-threatening blood diseases.

e) Annual contribution to the Irwindale Public Library to assist in providing access to ideas, knowledge and intellectual resources that satisfy educational and recreational needs of the community.

f) Community Outreach activities during the holidays:
   a. Singing Christmas carols in the activity room of nearby nursing homes such as:
      i. Sunset Manor – 12/8/2017
      ii. El Monte Convalescent – 12/8/2017
      iii. Ramona Rehabilitation Center – 12/15/2017
      iv. Covina Rehabilitation Center – 12/15/2017

   b. Toys for Tots – 48th Assembly District Toy Drive for Baldwin Park – 12/18/2017

g) Annual holiday gift giving to our affiliated clinical sites and community partners to show them our gratitude and spread holiday cheers and goodwill on Christmas.

h) Annual Thanksgiving and Christmas Dinner for all employees/ families, students/families

i) College sponsored Birthday celebration for faculty and staff to promote goodwill and camaraderie.

Premiere Career College is committed to creating a balance between learning goals and service outcomes. We have a staff dedicated to coordination of community service to ensure that the quality of education provided is according to industry standards. Students are taught through practical application and reflective instruction, so that it may be practiced outside of the classroom through externship. Clinical externship allowed students to use their critical thinking and problem solving skills in a context that provides additional information and experience to evaluate how they deal with numerous problems in complex situations. Some of our affiliated sites are:

a. for Surgical Technology Program and Hospital Central Service Technician Programs:
    i. Kaiser Permanente Hospitals (Baldwin Park, Anaheim, Panorama City, Los Angeles, Ontario, Riverside)
    ii. Citrus Valley Health Partners (Citrus Valley Intercommunity Campus, Queen of the Valley/ Foothill Presbyterian Hospital)
    iii. Methodist Hospital in Arcadia
    iv. Presbyterian Intercommunity Hospital (Whittier and Downey)
    v. Providence Health Systems (St. Joseph Hospital, Little Company of Mary, Holy Cross Providence Hospital)
    vi. University of California Irvine (UCI) Medical Center
    vii. LAC-USC
    viii. Beverly Hospital
    ix. St. Jude Hospital
    x. San Antonio Regional Hospital
    xi. Silver Lake Medical Center
    xii. La Palma Intercommunity Hospital
    xiii. Unicare Surgery Center
    xiv. Cerritos Surgery Center
    xv. Dr. Taylor Surgery Center
    xvi. Bonita Surgery Center
    xvii. Upland Surgery Center
    xviii. San Gabriel Valley Surgery Center
    xix. Beverly Hills Physician.co Surgery Center
    xx. Sunset Surgery Center
b. for Vocational Nursing
    i. LAC-USC
    ii. Kindred Hospital
    iii. Norwalk Community Hospital
    iv. Arbor Glen Rehabilitation and Care Center
    v. Ramona Rehabilitation Center
    vi. El Encanto Healthcare and Habilitation Center
    vii. Garden View Care and Habilitation Center
    viii. Five Point Medical Group
    ix. Citrus Valley Health Partners
    x. Gladstone Care and Rehabilitation Center
    xi. Alta Hospital Systems

c. for Medical Assisting
    i. Dr. Erick Carcamo
    ii. Crown City Medical Group
    iii. Dr. Oliver Solomon
    iv. Dr. Iskander M.D.
    v. Dr. Yovana Bruno
    vi. Universal Industrial Clinic
    vii. Pleitez Medical Clinic
    viii. Dr. Rao Atluri
    ix. Alas Medical Clinic
    x. Woodglen Medical Group
    xi. Dr. Kuruganti Reddy
    xii. East Valley Community

Clinical externship is a great impact service learning on the personal and interpersonal development of the students. As a general rule, students participating in an externship are not paid for their time, their experiences at the clinical site serve as a tool for gaining knowledge about the field and for understanding of overall information regarding the healthcare industry.

Community Outreach Activities:

1. Premiere Career College is committed to providing information to healthcare employees desiring professional enhancement (licensing, certification, exam reviews, etc.). We have actively participated in the Annual Health Career Fairs provided by the following healthcare facilities:
    a. Kaiser Permanente Hospital (Baldwin Park and Los Angeles)
    b. Pomona Valley Hospital and Medical Center, Pomona, CA
    c. San Antonio Regional Hospital, Upland, CA
    d. Methodist Hospital, Arcadia, CA
    e. City of Hope, Duarte, CA
    f. Monrovia Memorial Hospital, Monrovia, CA
    g. Stead Heart Center, Pomona Valley, CA
    h. Montclair Hospital Medical Center, Montclair, CA
    i. La Verne Medical Center, La Verne, CA
    j. East Valley Medical Clinics, West Covina, CA
    k. Presbyterian Intercommunity Hospital, Whittier, CA
    l. Citrus Valley Health Partners
        - Citrus Valley Intercommunity Campus
        - Queen of the Valley (45th Birthday Reunion Celebration)
        - Foothill Presbyterian Hospital

2. We Inform the youth of the community and their parents of alternative paths aside from traditional education, especially those who are economically challenged, theoretically challenged but skill endowed and dexterity blessed through active participation in the following High School Fairs annually:
    a. El Camino High School Career/ College Fair, Whittier, CA
    b. North Park High School Career Fair, Baldwin Park, CA

c. Sierra Vista High School Career/ College Fair, Baldwin Park, CA
d. Mark Keppel High School Career Presentation, Alhambra, CA
e. Chaparral High School Career/ College Fair, San Dimas, CA
f. Pioneer High School Career Presentation, Whittier, CA
g. La Serna High School Career Fair, Whittier, CA
h. California High School Career Fair, Whittier, CA
i. Baldwin Park High School College Fair and Career Day, Baldwin Park, CA
j. Northview High School College and Career Fair, Covina, CA
k. West Covina High School Career Fair, West Covina, CA
l. Covina High School College Fair, Covina, CA
m. La Puente High School College Fair, La Puente, CA
n. Ruben Ayala High School, Career Fair, Chino Hills, CA
o. Monrovia High School College Fair, Monrovia, CA
p. Glen Wilson High School College Fair, Hacienda Heights, CA
q. Valley Alternative High School Career Fair, Hacienda Heights, CA

3. We inform the community of non-traditional professions that they can avail of whether it is their primary, secondary, or upward mobility jobs. Provide information on the possibility of career advancement through fast, extensive vocational education delivered with compassion in an environment that is friendly, fair, understanding and willing to help. The community events we have participated in are:
   a. 03/28/2018 - Irwindale Chamber of Commerce Job Fair,
   b. 03/08/2018 - Bethany Baptist Church – Flourish now Job Fair
   c. 02/24/2018 - 27th Annual Lunar New Year Street Festival in Alhambra
   d. 11/08/2017 - La Puente Senior Citizen's Health and Safety Fair, La Puente, CA
   e. 10/14/2017 - 4th Annual Los Angeles Latino College Expo, Montebello, CA
   f. 07/29/2016 - 24 Seven Home Health Inc. Hiring Fair, Covina, CA
   g. 07/07/2017 - Red, White and Bounce Health and Wellness Event, El Monte, CA
   h. 07/06/2017 – 9/21/17 - Baldwin Park Downtown Street Market

3. CHAMBER OF COMMERCE ACTIVITY

a) Premiere Career College is an active member of the Irwindale Chamber of Commerce for 22 years and became a Cornerstone Club Member in February 2018.

b) Participated and Table sponsor for the following events:

2017

a. Legislative Leadership Luncheon with Assemblywoman Blanco Rubio
b. State of the City Luncheon
c. Irwindale Chamber of Commerce Black and Gold Masquerade Ball 37th Annual Installation and Awards Dinner
d. Milestone Luncheon
e. Good Morning Irwindale Networking Breakfast -

2018

a. Labor Law Seminar – February 1, 2018
b. Irwindale Chamber of Commerce Celebration of Leadership and Excellence 38th Annual Installation and Awards Dinner – February 2, 2018
c. State of the City Luncheon Corporate Sponsor – April 12, 2018
d. Active participation to Membership Monday
e. Good Morning Irwindale Networking Breakfast
