"Dark Side of the Yule" provides a new take on traditional carols, rocking them and meshing with rock music from the 60's to current, all performed on a mix of classical and rock instruments. This show includes music by Pink Floyd, The Beatles, Simon and Garfunkel, Joni Mitchell, Moody Blues, Metallica, Evanescence, and so much more, all mashed with Christmas classics, medieval carols, original holiday songs, and more. This definitely isn't grandma's Christmas concert, yet she's sure to love it too! There is something for the entire family.*
