A Double Feature Photography Exhibit--Carol Bilodeau & Vicki Rose

Duo Photography Exhibit--Carol Bilodeau & Vicki Rose

- *Originally from Boston, Carol Bilodeau came to the Las Vegas Valley 13 years ago, and recently retired from the corporate world to travel and pursue her love of photography in earnest. She has recently photographed the Albuquerque Hot Air Balloon Festival, subjects in New Orleans, Arizona & Oregon.*
- *Vicki Rose arrived in Nevada in 1977, and soon enrolled in drawing and photography classes at CCSN. At that time, photography was a film-based medium, so Vicki then became schooled in film photography & dark room film development. With this foundation for her work, she eventually transitioned into digital photography about 2008, allowing her greater freedom to create the mixed images she needs to create her story or message in each final photograph.*
- *This "Double Feature" Photography Exhibit will be up in the Boulder City Art Guild Gallery now until the end of February. The public is invited to come & enjoy the exhibit !*

HENDERSON BLUESFEST

Henderson Pavilion

200 S Green Valley Pkwy

Henderson, NV

Gates Open 3pm / Festival 3:30p- 9:30p

City of Henderson- Special Events Office, 702-267-4849

specialevents@cityofhenderson.com

The City of Henderson presents its HENDERSON BLUESFEST.

The one-day festival is a celebration of passion-packed blues music. Jonny Lang will be headlining the festival with his modern soulful blues style, blazin' guitar and sultry lyrics.

The festival also features legendary Blues artist, Taj Mahal as well rising artist Quinn Sullivan and child-prodigy Brandon "Taz" Niederauer. These Blues artists are sure to show-off their guitar-shredding skills. This show is a must-see for all Blues lovers.

Food & Beverage Vendors will be onsite.

JONNY LANG (Headliner) is an American blues, gospel, and rock singer, songwriter, guitarist and recording artist. He has five albums that charted on the top 50 of the Billboard 200 chart and has won a Grammy Award for Turn Around. He just released a new Album Sept. 8 2017 –SIGNS- that went to #1 on Billboard Blues album chart Sept-30-17 and been there for six weeks.

Taj Mahal is a legendary American blues musician. He often incorporates elements of world music into his works. A self-taught singer-songwriter and film composer who plays the guitar, piano, banjo and harmonica (among many other instruments), Mahal has done much to reshape the definition and scope of blues music over the course of his almost 50-year career by fusing it with nontraditional forms, including sounds from the Caribbean, Africa and the South Pacific. He released an album earlier this year with Keb mo under the name "TajMo" that has been on the Billboard 200 for 26 weeks. The album is nominated for Best Contemporary Blues Album for the 2018 GRAMMY Awards.

Quinn Sullivan has been a music professional for more than 75 percent of his life. He's shared the stage with Buddy Guy, Eric Clapton, Los Lobos, The Roots, Derek Trucks & Susan Tedeschi and Joe Bonamassa, and he opened for B.B. King, who later invited him to play his treasured "Lucille" guitar.
