BBQ on the Green will be the must attend event of the year and your attendance will support the Irwindale Educational Foundation and its scholarship program!

The purpose of the Irwindale Educational Foundation, a 501(c)(3) non-profit organization, is to grant scholarships to qualified Irwindale residents and employees and their families of Irwindale Chamber member businesses located in Irwindale, to improve their opportunity for career development. The program offers limited financial assistance for first-time college and vocational students and for continuing students making good academic progress. Grants are also available to employees and family members of a company that is a member in good standing of the Irwindale Chamber of Commerce and whose company is located in Irwindale.

The IEF "BBQ on the Green" at MillerCoors is a major fundraising effort the Foundation undertakes, so your support is very important. Your support of the Irwindale Educational Foundation goes directly to fund scholarships to trade schools, community colleges, and universities and is fully tax deductible as a charitable contribution. Since 2002 this event has made possible the award of scholarships amounting to over \$408,000.

Dear Neighbor,

On July 4th, we celebrated freedom.

And today, your doubled gift can help more local families gain freedom from unsafe and unaffordable living conditions.

Nearly 60% of local residents cannot afford their rent - placing safe, affordable homeownership further out of reach.

You can change this. Your donation by July 20th will help double the total number of families served thanks to First United Methodist Church, Pasadena's \$50,000 matching grant.

The clock is ticking. Will you join us by July 20?

China Trip 2018

The Irwindale Chamber of Commerce is offering a unique opportunity to experience the Chinese culture, history and business.

Through a partnership with Citslinc International, the Chamber is offering a cost effective trip to China on October 7-15, 2018. The trip includes stops in Beijing, Shanghai, Suzhou and Hangzhou with opportunities to visit historic sites like the Great Wall of China and Tian An Men Square. There is also an opportunity to visit with a local Chinese business. The meeting is optional and requires filling out a business inquiry form indicating what type of business or industry you are interested in learning more about.

We're excited to organize an Irwindale Chamber China Tour. This is an excellent opportunity to be introduced to the China. It's extremely affordable and includes visits to major cities, various economic zones and major historical sites.

The trip includes airfare from Los Angeles, hotel accommodations at 4 & 5 star hotels, three full meals a day, and professional drivers and tour operators. The cost is \$2,599 per person for double occupancy.

Some of the highlights include visiting the Forbidden City, Temple of Heaven, Summer Palace, Ming Tombs, and The Bund.

The Chamber is also hosting an orientation meeting on November 16th, 2017 at the Doubletree by Hilton in Monrovia from 5:30 p.m. to 7 p.m. Leo Liu, owner of Citslinc, will be answering questions regarding the trip.
