Athletes understand that to win a game, they must work together with their team. That's not just a pattern for sports, but for life! As a man, you don't need to run your race alone. God has provided you with the support you need. Why? Because there is nothing you can go through that other men won't understand. At Men's Advance 2020, you'll have the opportunity to find, fellowship with, and come alongside others who are in this race with you.

Join us March 12–14 at The Auditorium of Charis Bible College in Woodland Park, Colorado, for Men's Advance 2020!

At this year's event, you'll receive coaching from men who have run hard and been victorious. Among those who will be speaking are Andrew Wommack, sportscaster James Brown, and retired NFL head coach Tony Dungy. This event is FREE!

A lot of ministers tend to feel isolated—not knowing whom they can trust and confide in. Some ministers have even been at the point of quitting. The 2020 A.R.M.I. Conference aims to solve that problem! Through practical workshops and personal ministry in an intimate setting, you will enjoy a time of sincere unification and connection with other ministers. If you're called to serve in ministry in any capacity, you'll want to attend this conference. You will have access to the support and encouragement you need to fulfill God's call on your life.

Come and hear from experienced ministers like Andrew Wommack, A.R.M.I. executive director Dr. Barry Burns, Duane Sheriff, and Billy Epperhart, who all understand the pressures and challenges of isolation in ministry. The conference takes place March 23–25, 2020, in The Barn at Charis Bible College in Woodland Park, Colorado. It's free to attend, but registration is required. Spouses and friends in ministry are invited too! We hope to see you there!

God With Us - Musical

Woodland Park, CO 80863

01:00 PM - 11:00 PM MST

Corey Young, 7196351111

The story is told by the aging Apostle Peter as he arrives in Rome in 64 A.D. Christians are being persecuted for their faith, and many, including Peter, are thrown in jail, at risk of execution. To keep their hopes up and to build their faith, Peter encourages the Christians with stories from the Scriptures and also from his own walk with the master, Jesus. The Empire of Rome and the kingdom of God collide as the prisoners' faith is tested.

Incredible melodies, lifelike costuming, and filmed scenery will immerse you in biblical times. An intricate cinematic effect is created through a combination of theatrical stage performance and an interactive LED backdrop. This unique biblical musical will transport you back in time and give a new perspective on God that will strengthen your faith.

The annual Gem & Mineral Show sponsored by the Southern Teller County Focus Group (STCFG) in Victor, Colorado will be held June 19-21. The event will be held in downtown historic Victor and is open and free to the public.

The show will include vendors from across the state selling Colorado dug minerals. Items for sale will include polished gems, hand-crafted jewelry, rough slabs, specimens, cabochons, geode breaking, Cripple Creek & Victor Mining District gold ore specimens, Cripple Creek turquoise, and more. There will also be gold and gem panning at the Victor Lowell Thomas Museum. Show hours are from 9 to 5 each day.

This year a geologist from Newmont will make a presentation on the geology of the gold mining district. This free presentation will be held Saturday, June 20 at 1 p.m. at the Victor Elks Lodge.

In addition to the show, the Victor Lowell Thomas Museum gift shop will be open from 9:30 to 5:30 with its collection of rocks, gems, minerals, rhodochrosite and aquamarine jewelry, geodes and gold panning for the kids. The museum also houses a mineral collection as well as historic mining equipment, photos, and historic displays. In addition, guided tours of the modern gold mine are available through the museum – see VictorMuseum.com for reservations.

The Victor Elks Lodge members will be grilling burgers on the lodge porch as a fundraiser. Victor's many shops and attractions will also be open, including Victor's Gold Camp Ag & Mining Museum, antique, art and gift shops, the old-fashioned soda fountain, German Bakery, the local bar and eatery, Victor Hotel, as well as the local parks and Trails of Gold where you can explore the historic gold mining country.

The annual Victor Pack Burro Race will kick off at Noon in downtown with racers from across the region competing for cash prizes. The furry four-footeds are historically dubbed the Rocky Mountain Canary for their role in underground mining; the burros were used above ground during the gold rush era for hauling heavy loads, but also underground in the mines for the same tasks.

Today the burros are beloved symbols of days gone by and are, along with their trainers and human counterparts, the centerpiece of this event.

The race kicks off at noon in downtown. But there is much more to do before and after. Check STCFG.com for more events and details.
