Rodgers and Hammerstein's Cinderella is a musical written for television but later played on stage with music by Richard Rodgers and a book and lyrics by Oscar Hammerstein II. It is based upon the fairy tale Cinderella, particularly the French version Cendrillon, ou la petite pantoufle de verre (Cinderella or The Little Glass Slipper) by Charles Perrault. The story concerns a young woman forced into a life of servitude by her cruel stepmother and self-centered stepsisters, who dreams of a better life. With the help of her fairy godmother, Cinderella is transformed into a princess and finds her prince.

There will be photo opportunities throughout the night as well as crowns and tiaras that can be purchased to help bring this classic to life.

Forever Plaid

07:30 PM - 09:30 PM EST

Ella Carvalho, 5172786029

Delightful, mischievous and unashamedly heart-warming homage to the sweet and innocent sounds of the 50s and 60s when four-part groups harmonized their way across the airways, crooning at their microphones and moving with drilled precision for their swooning fans.

Once upon a time, four young men took a shared love for music and came together to emulate their idols – The Four Freshman, The Hi-Lo's and The Crew Cuts—and they became "Forever Plaid." After they unexpectedly die in a car crash, they are granted the chance to come back and play one final gig. Singing in close harmony, squabbling boyishly over the smallest intonations and executing their charmingly outlandish choreography with overzealous precision, the "Plaids" take us on a hilarious nostalgia trip. Forever Plaid features popular hits of the era such as "Three Coins in a Fountain," "16 Tons" and "Love is a Many Splendored Thing."
