The National Fire Protection Association's (NFPA) Firewise USA Program encourages local solutions for safety by involving homeowners in taking individual responsibility for preparing their homes from the risk of wildfire. Firewise is a key component of Fire Adapted Communities or a collaborative approach that connects all those who play a role in wildfire education, planning, and action with comprehensive resources to help reduce risk. To save lives and property from wildfire, NFPA's Firewise USA program teaches people how to adapt to living with wildfire and encourages neighbors to work together and take action now to prevent losses. Movie: "Kung Fu Panda 4"

Town Hall Theatre

469 Main Street

Quincy, CA 95971

07:00 PM - 08:45 PM PST

After three death-defying adventures defeating world-class villains with his unmatched courage and mad martial arts skills, Po, the Dragon Warrior (Golden Globe nominee Jack Black), is called upon by destiny to...give it a rest already. More specifically, he's tapped to become the Spiritual Leader of the Valley of Peace. that poses a couple of obvious problems. First, Po knows as much about spiritual leadership as he does about the paleo diet, and second, he needs to quickly find and train a new Dragon Warrior before he can assume his new lofty position. Even worse, there's been a recent sighting of a wicked, powerful sorceress, Chameleon (Oscar winner Viola Davis), a tiny lizard who can shapeshift into any creature, large or small. And Chameleon has her greedy, beady eyes on Po's staff of Wisdom, which would give her the power to re-summon all the master villains whom Po has vanquished to the spirit realm. So Po's going to need some help. He finds it (kinda?) in the form of crafty, quick-witted thief Zhen (Golden Globe winner Awkwafina), a corsac fox who really gets under Po's fur but whose skill will prove invaluable. In their quest to protect the Valley of Peace from Chameleon's reptilian claws, this comedic odd-couple duo will have to work together. In the process, Po will discover that heroes can be found in the most unexpected places.

?• This 94 minute Animated Comedy film is Rated PG for martial arts action/mild violence, scary images and some mild rude humor

The National Fire Protection Association's (NFPA) Firewise USA Program encourages local solutions for safety by involving homeowners in taking individual responsibility for preparing their homes from the risk of wildfire. Firewise is a key component of Fire Adapted Communities or a collaborative approach that connects all those who play a role in wildfire education, planning, and action with comprehensive resources to help reduce risk. To save lives and property from wildfire, NFPA's Firewise USA program teaches people how to adapt to living with wildfire and encourages neighbors to work together and take action now to prevent losses. Free Webinar: Digital Marketing Hour: Meta Business Suite Online

09:00 AM - 10:00 AM PST

Learning how to use Meta Suite, specifically for Facebook and Instagram features, involves understanding how these two platforms are interconnected and how you can leverage their combined capabilities to enhance your social media marketing and engagement. Key points we will explore over the hour include:

How to leverage Meta's advertising tools to allow you to run ads across Facebook and Instagram simultaneously helping to maximize your reach and impact.

Using the scheduling feature to plan your posts and videos across all platforms and how the planner feature can ensure you are sharing among the Facebook Groups you have joined.

Understanding how effectively store relevant hashtags and search for new ones to post on both platforms thus increasing the visibility of your content.

Instagram and Facebook have e-commerce features, such as Instagram Shopping and Facebook Shops, which allow you to showcase and sell products directly on the platforms. Utilize these features through Meta Suite to enhance your online sales.

Free Webinar: Digital Marketing Hour: Social Media Ads

Online

09:00 AM - 10:00 AM PST

Social media advertising has become a powerful tool for businesses and marketers to reach their target audiences, build brand awareness, increase conversions, and drive traffic to their websites. Utilizing social media networks and their advertising options effectively can yield significant results in your marketing efforts.

In this hour-long session we will provide an overview of social media advertising and its importance in the modern marketing landscape and explore the different types of social media ads available on popular platforms that will include Facebook, Instagram, Twitter, LinkedIn, and others. Each platform offers unique ad formats, such as image ads, video ads, carousel ads, sponsored content, and more.

By the end of the hour, participants will have a better understanding of the social media advertising options available and be equipped to make an informed decision on which one to use to expand their reach, connect with new audiences, and achieve their marketing objectives.

Mountains to Meadows
Plumas-Sierra County Fairgrounds
204 Fairgrounds Road
Quincy, CA 95971

Times to be announced.

Come for the Trails, Stay for the Party!

Join us for the inaugural Mountains to Meadows Trailfest, a four-day, end-of-the-season festival in Quincy, California, celebrating trails and community and benefiting the work of the Sierra Buttes Trail Stewardship.

Dig in the dirt on Mount Hough during the day, join the Poker Run/Ride showcasing some of the best trails in the Lost Sierra, then revel the night away with the Pixie Cross World Championships, family and late-night skate parties, food trucks, a beverage garden, campfires and music on the main stage!

Celebrate the end of the trailbuilding season with Sierra Buttes Trail Stewardship and be a part of our mission to revitalize Lost Sierra mountain towns, using trails as the tool. Proceeds from festival passes will directly benefit SBTS and Connected Communities , a project in partnership with land managers to connect 15 rural Lost Sierra towns with multi-use singletrack.
