The African American Chamber of Commerce of New Jersey (AACCNJ) will be participating in the Literacy and Customized Training Programs funded by the New Jersey Department of Labor and Workforce Development (LWD).

All training programs and instructional facilitation will be managed and coordinated by the AACCNJ in partnership with the New Jersey Community College Consortium for Workforce and regional community colleges when applicable. It is further understood and agreed that;

will comply with the grant's requirements which include: maintain a minimum of 10 employees in attendance per training hour of instruction; to provide Social Security Numbers, wage range data, job titles, company FEIN; and to compensate attending employees while they are in training. If any of these conditions are not met and full funding from LWD is not achieved, we agree to compensate the AACCNJ in an amount equal to the difference between the full amount invoiced to LWD and any prorated payments made by LWD under the grant should attendance in classes offered to our company fall below the minimum attendance requirements. If we chose to participate in the program by sending our employees to any of the *Open Enrollment* classes, we agree to guarantee employee attendance or compensate the AACCNJ in an amount equal to that individual's percentage tuition as measured against full LWD funding.
