What is CYP?

Chamber Young Professionals (CYP) is a program designed to offer social networking, professional development and volunteer opportunities to ambitious young professionals, ages 21 to 42.

Membership in CYP will help you improve your career, develop your leadership abilities, build your network and give back to the greater Bartow community. Members make valuable connections with peers from various industries and have access to prominent and influential leaders.

Our members don't just come to CYP events to trade business cards and walk away. This is a place where young professionals meet to build lasting friendships, share big ideas and invest in the future of Bartow and Polk County.

CYP is the ideal vehicle for ambitious, promising businessmen and businesswomen to nurture their leadership aspirations, cultivate relationships with experienced industry professionals, share common interests and advance their careers.

Meetings and Activities

CYP meetings are held once per month. The meetings rotate between coffee networking meetings, "lunch and learns" with a speaker and after-hours socials. There are no attendance or volunteer requirements.

Membership Dues

Annual membership dues are \$50 for Bartow Chamber members (employer must be a Chamber member), and \$75 for non-chamber members. CYP members are allowed to bring a guest to a meeting. Each member and guest are responsible for the cost of meals/refreshments.
