

## "Twas the Night ~ Chamber Style 2020

*Twas the day before Christmas  
and all through the town.  
COVID kept creeping,  
not making a sound.*

*Now Kassie! Now Monica!  
Now Brina! And Jill,  
get to your marketing  
with such a thrill.*

*The face masks were hung  
by the chimney with care.  
In hopes that the cloth  
would stop droplets in air.*

*On Volunteers! On Board!  
On Residents and Members!  
Tell the world we're open, safe, and  
COVID Compliant, remember.*

*The Chamber staff  
were hunched over Zoom.  
While visions of tourists  
danced in the gloom.*

*With vials of serum,  
they healed all the land.  
And quickly promoted  
the Boulder City Brand.*

*Armed with our sanitizer,  
and 6 feet of space,  
we went over visitation  
and spending's slow pace.*

*Hotels and retail lit up  
and threw open the door  
Restaurants got cooking  
and fed tourists galore.*

*When what to our  
wondering eyes did careen?  
A miniature sleigh  
with Pfizer vaccine!*

*The Chamber sprang on the sleigh,  
to the team gave a whistle.  
And away they all flew,  
like the down of a thistle.*

*With this good news  
spreading so quick,  
we knew in a moment  
it would do the trick.*

*Then we heard them exclaim  
as they drove out of sight,  
"Good riddance 2020!  
Next year will be bright!"*

Merry Christmas from  
Your Boulder City Chamber
