## INAUGURAL SPRING JAMBOREE PROMOTIONS!

Wish you had... **More Facebook Fans?**  
**Subscribers to your eMail List?**  
**Visitors to Your Website?**

If you're already a Friend, Fan or Follower of Boulder City Social, you'll already know about the **Boulder City business promotions** we're putting together for Spring Jamboree. If not, you'll want to make sure you get in on the **free advertising opportunity for Chamber Members**...since visitors will be directed to our booth to enter to win giveaways from Boulder City Chamber Members!

In short, we'll have a booth at Spring Jam where **we'll promote whatever giveaway you are offering** by having people do what you want them to in order to enter to win your prize. What does that mean?

**Want more Facebook Fans?** We'll let booth visitors know that to enter to win your prize, they'll have to "Like" your page when they get home. **Email Subscribers?** They'll need to sign up for your newsletter to enter to win what you are giving away! **Website visitors?** We can create a contest entry form for you on the Boulder City Social website where they can "comment" with info they got from visiting your website. Heck, just have them **stop by your store** to fill out an entry card there!

To participate or for more info, please call Kathy at **(702) 635-8470** or email me at **kathy@bouldercitysocial.com!**
