Renewable Energy for America Program (REAP)

is designed to assist farmers, ranchers and rural small business that are able to demonstrate financial need. Grant funds can be used for the purchase of a renewable energy system or to make energy efficiency improvements.

Rural Business Enterprise Grant (RBEG)

is designed to finance and facilitate the development of small and emerging private business enterprises in rural areas. Eligibility is limited to public bodies, private nonprofit corporations and federally recognized Indian Tribal groups. Funds may be used for technical assistance, equipment, building or creating a revolving loan fund.

All projects must be located in rural areas outside of Carson City, Reno and Las Vegas
