CRAZY DAYS

is coming ! **JULY 7-9**

It just would not be summer
in Broken Bow without
Crazy Days Shopping!

It all begins as
early as 7:00 AM
on July 7th!!

Get your registration in for
the **Run/Walk/Bike on
Saturday July 9th** start-
ing at 8:00 AM with Registra-
tion at 7:30. It is 5K or 10K
RUN; or 1 mile **WALK**; or a
10 mile or 20 mile **BIKE**.
Make this a family tradition
like the Betz family does. We
look forward to seeing all of
them again this year! New
this year an event for youth
15 years and younger. It will
be **CRAZY FUN!!**

DC LYNCH CARNIVAL

at the Custer County Fair Grounds
Friday July 8th -10th 6-11 PM
purchase a wrist band for \$25 per
night and ride unlimited rides! Or
purchase by the ticket 1- \$1 or 15
for \$10.

Beautification Committee—Hard at work are the Beautification Committee and volunteers. It was a hot night, but we thank Terry Jensen, Rick Maas, Brent Clark and Don Paris for putting out mulch on the South Welcome Sign and the Bandstand. Take note how great the South sign is looking! Thanks to Sargent Irrigation for providing the much needed irrigation, because of that, there were more plants planted at the South sign this year to make it look even better! Thanks also to Jerry Scott who sprayed the multitude of weeds around the South Sign. Thanks again to all the businesses who contribute each year to the Beautification Funds. It is never too late to send your funds to the Beautification Committee or volunteer your time! Broken Bow looks great because of dedicated people and businesses who live here.

EXECUTIVE DIRECTOR MESSAGE June was a month that the Chamber really could say Nebraska the beef state! With the Burger Contest and the Steak Fry's we definitely supported our great industry—BEEF! It is so great to be able to call Broken Bow home when you look at all the events and volunteers that the Chamber has. Take a minute and put all the events listed on your calendars. We hope you can enjoy all that CRAZY Days offers, shop, shop & shop, enjoy the Run/Walk/Bike and take in the Carnival. Before you know it, the Custer County Fair will be here. Starting Saturday July 30th will be the parade and Food & Craft Court. New this year the Nebraska Pork Producers and Thomas Livestock will be providing a FREE PORK slider, chips and a drink before the parade! Remember the 46th Annual Custer County FREE Pit BBQ will be held Monday, August 1st. Donations are coming in but much more is needed to purchase the 1800 pounds of beef! ! Custer County and Broken Bow are BEEF & PORK for sure!!

2016 Chamber Burger Contest....and the winner is the “Electrifying Burger” from Custer Public Power. You will get a chance to taste this burger Saturday, August 13th at the Demo Derby! Watch for ADVANCE ticket sales starting August 1st! There were so many great tastes.

Schmick’s Market had a great tasting classic. Straight Arrow Bison Ranch cooked up a Bison Burger with cu-

cumber relish and several additional ingredients that were locally grown. Kaci of MPCC had quite the “4” County Burger. Her presentation made all “4” County residences proud! The Hueftle brothers from Ag Services made an amazing burger that once people find out about it, you will want to add it to your regular burgers you serve at home!

Thanks to Travin Flynn for grilling something extra special for the attendees. We thank the judges, Jeremy from KCNI/KBBN, Sadye, President for the BB Chamber and Russell Title & Escrow, Bill from the Custer County Chief and Joel from KBEAR for judging the contest. They said the judging was much harder than they thought it would be! Most important

we thank the 5 who said YES to entering the contest. It was a fun night and we really need to think about how we can share this night with more of the membership!!

Ribbon Cuttings

Ribbon Cutting Kinkaid Brewing Company Thursday July 21st 5:30—The crew at Kinkaid keep paving the way for excitement in Broken Bow. Not only have they crafted some amazing beer they now offer the Kinkaid Kitchen! As you can see in the picture, the outside of the addition still is being finished but there is nothing that needs to be finished on the inside. You can go out and taste all their great beers and home made root beer and now many great tasting items from the “Kinkaid Kitchen” The Chamber Public Relations is pleased to do a ribbon cutting for the folks at Kinkaid so we hope you can join us on Thursday July 21st at 5:30 for the ribbon cutting for Kinkaid Brewing Company and Kinkaid Kitchen.

Ribbon Cutting Myers Iron Salvage & Roll-offs Friday, July 22nd at 10:00 AM

at their new building attached to Custer Transfer Station. Join the Chamber Public Relations committee as they celebrate with owner Chris Myers, Manager Rod Sonnichsen and office manager Susan Porter and find out what all Myers Iron Salvage & Roll-offs is all about!

They provide roll-offs for construction waste, residential waste or clean up. They offer three sizes! They bring the box to your location, you fill it and they come and pick it up and transport the waste. At the new location they now take various metals including copper, aluminum, steel, brass, iron and stainless steel. They provide roll-offs at no charge for salvaged material collection if you have at least two ton; and pay for the material collected. They also can transport salvaged cars, trucks and machinery. They also provide 20 foot Conex trailers, you can store appliances, furniture and household miscellaneous items until your project is completed. If you are in construction these trailers offer a safe and dry storage place until you are ready for your items. Come celebrate and see it all!

New Member Squire Septic Systems

The Broken Bow Chamber would like to welcome Gary Squier of Squire Septic Systems as a new Chamber member! We thank Gary for helping us out with his services while we hosted BRAN in town. You can contact Gary at 308-870-0717. Thanks Gary for bringing back a needed service in the Broken Bow and Custer County Area.

**Chamber University at
Chapins Furniture & Decorating**

846 South E Street.

Wednesday, July 20th noon to 1:00.

The crew at Chapins will demonstrate the simple easy steps of Annie Sloan Chalk Paint to take something **Old to Bold!** So look in the attic, check out the shed, you probably have something that will be GREAT to give new life to. Make sure you call the Chamber ASAP to reserve y our seat.

LIMITED number of seats available.

To save a spot for you, call the Chamber 872-5691

Dedication of the Flower Pots and Ribbon Cutting for South D

Celebrating is the key word as many came out to get the “first look” at the new flower pots. Thanks to the City of Broken Bow for thinking of the drip line in the light poles. Thanks to all who donated to the Beautification funds so the money was available to purchase the flowers. Thanks to Ray and Connie at the Custer County Garden Center for their donation of the pots and taking care of the plants for over a month as the light poles were getting complete.

The Dedication Day was fun and several turned out to get the first look! Thanks to JEO for providing the rolls for the morning.

It has been a few weeks now that all of Broken Bow has been enjoying the new cribs and paving of South D. Thanks to Girl Scout Troop 217 for making the cookies for the ribbon cutting. Keep watching your e-blasts for another upcoming dedication of the new banners!

Ladies Steak Fry—2016

So many great Pico & Salsa recipes to taste and so many great steaks!

Great Bartenders!

Penny Jo of Ideal Reality was the big winner of the \$100 gift card to The Kloset/My Kloset donated by Russell Title & Escrow Company

Thank you cooks!!

Look at all the "first timers" at the Ladies Steak Fry!

Men's Steak Fry

The Steak Fry's have been a tradition in Broken Bow for years. How many? Some say over 40 years. Some also say it is the best steak you will ever eat all year! One thing is certain, you have a crew of hard working volunteers that do their job, year after year, and you have businesses who support the steak fry's year after year. It is a time to catch up with some people you don't get to see throughout the year. Thanks to all who supported the Chamber with volunteering to put the event on or who purchased the tickets.

Congratulations to Adbul Sughayar of Arrow Seed for winning the \$100 gift card from Plains Equipment donated by Russell Title & Escrow Company.

9th Ave. AND part of south D under construction but still open!

As we have celebrated 8th Ave. and part of South D being open remember the Square is still under construction. All the businesses are OPEN either by their front or back door. They have their back doors marked for you. Always watch your step and remember if need be, you are welcome to give them a call and they can meet you. Custer County Foundation does not really have a back door, but you can access them through Troxel Insurance. Also keep in mind that Great Western Bank now has it's drive thru open! For the 9th have **CRAZY DAYS** sales, walk but inside instead.

Ave. Businesses who will they will not be on the side-

GROW award presented to

The Insurance Center and Security State Bank

The Chamber Public Relations Committee was pleased to present the GROW award to The Insurance Center and Security State Bank. The building at 420 S. 8th Ave. houses a total of six offices. When you walk in you will be greeted by managing agent, Sarah Dowdy and licensed CSR Katie Stallbaumer. Also located in the building is Security State Bank and Grange Mutual. Currently there are 3 additional offices that are available for rent and an area that will house several cubicles. There is a large conference room, board room and break room also in the building. The remodeling looks great and a wonderful additional to the new downtown look.

The BARN ribbon cutting In Broken Bow when you talk about the BARN, most everyone knows you are referring to the Sandhills Journey Scenic Byway little red BARN! This is a "gem" to Broken Bow! If you have not visited the BARN lately I would recommend you do so. It is open Memorial Day through Labor Day, all those hours are covered by 40+ volunteers,

they are the heart and sole of the BARN. I can't begin to name them all, this year Rick Maas takes care of the scheduling of all the hours and much of the up keep on the grounds. In June the Chamber was pleased to be a part of the ribbon cutting for the new welcome sign and the six new interpretive panels that were added. The CEDC takes on the financial responsibility of the upkeep on the BARN and keeping the lights on. One key person with the BARN over the years has been Chard Hirsch. She has retired from her volunteer duties at the BARN but she is a wealth of history on the BARN. Congratulations to the SJSB BARN on receiving the new sign and panels! I hope the BARN is on your summer stop this year!
