Introducing The Buckeye Valley Chamber of Commerce Dental Insurance Program

Your family's dental health is important to your Buckeye Valley Chamber of Commerce (BVCC), because quality dental care can improve your overall health and wellness. For instance, regular dental care can prevent gingivitis (gum disease) which is linked to heart disease and diabetes.

As a result, the Buckeye Valley Chamber is offering its members a dental insurance program with three plans. You decide which plan fits your budget and healthy lifestyle!

The Copay Plan

- 100% coverage after copays
- No annual maximum
- No in-network waiting periods
- Extensive dentist network
- Best used in in-network

The PPO Plan 1

- 100% coverage for cleanings, exams and x-rays
- High annual maximum
- Low in-network out-of-pocket costs

The PPO Plan 2

- 100% coverage for cleanings, exams and x-rays
- Freedom to see any dentist
- High annual maximum

More Standard Highlights

- National dentist network
- Easy online enrollment
