How the business got started.

In the month of April 2022 my husband Tyler walks in the door and says... "Can we fly to South Carolina, grab this trash can cleaning truck, and then drive 35 hours back home?" My first thought was he was joking. I giggled a little bit, but little did I realize he was completely serious! This is when we decided to take a leap of faith. We worked out all the details to bring this service to the Elko area.

In September of 2022 we were able to start serving the community. Unfortunately, during the cold months, we had to shut down. This year we are looking to start back up mid-April. We are excited to get back on the truck and start cleaning cans!

Family history.

Breana and Tyler Allen were both born and raised in Elko, Nevada since 1991. They have two girls who are super excited to get out there with them and help. They love getting all the family time in that they can. This business is an amazing opportunity for their family to spend time together. They couldn't be happier with their decision to start a business in Elko, Nevada.

What we do.

The X-Germinator Cleaning Machine is a totally eco-friendly, self-contained cleaning unit. After inspecting your empty bins, we remove and bag any leftover debris. Next, your garbage bins are hydraulically lifted and tilted into our customized pressure washing mechanism. Specially designed extreme spinning heads blast 220° chemical-free water in all directions removing Germs, Odor-Causing Bacteria and Debris from the container.

The X-Germinator Cleaning Machine sanitizes, disinfects and deodorizes your trash, recycle bins and dumpster right at your curb on the same day of your scheduled trash collection. Be comforted that all greywater remains inside the X-Germinator Cleaning Machine allowing it to be properly and safely disposed of into approved water treatment facilities. After the cleaning process is completed the hydraulic lift returns your container to the curbside where our technician performs a final inspection and sanitation protocol. Lastly, a mild biodegradable odor neutralizer is sprayed into the bin before being tagged to confirm that your service has been completed.

Elko Area Chamber Job Board

The Elko Area Chamber's mission is to promote economic growth, opportunity, and diversity in service for our members. One way the Chamber fulfills this mission is by offering membership benefits that increase your organization's exposure and overall success. This includes our Job Board page, which allows members to post job openings and career opportunities on the Chamber's webpage.

This page allows your organization to post job openings on an easy-to-use platform that can be searched by keywords or categories. Positions can be listed with in-depth information such as description and qualifications.

Here's How

1. Login with your membership Username and Password at elkonevada.com (locate 'Members Login' at the top right corner of the Home Page and Select)
2. Under 'Member Menu' select 'Resources' to access the dropdown menu
3. From the dropdown menu select 'Submit Job Board'
4. Fill out the Form
5. Select 'Add/Change Job Board' when completed
6. Review your submission and select 'Continue'

You can also post your open jobs on Facebook on our Elko Chamber Member Job Opportunities page.

Questions about your organization's member benefits? Contact us at membership@elkonevada.com or give us a call at 775-738-7135.

APRIL 22ND 10 AM to 2 PM

BEHIND SHERMAN STATION

1405 Idaho Street

Last year, during National Rx Take Back Days in April and October, more than 5,000 pounds of unused or expired prescription and other drugs were removed from communities across Nevada, including Elko.

Removing unused medication from homes ensures that they won't pose a safety risk to family members or to visitors who may be struggling with substance use.

On Saturday, April 22nd, you can help again by bringing your unused or expired medication to our collection box behind Sherman Station.

Nevada Rural Housing does not originate mortgage loans. Eligibility for Nevada Rural Housing homeownership programs is determined by licensed lenders approved to offer the programs. Participating lenders are responsible to reserve Nevada Rural Housing loans at the rates published with eHousingPlus and must follow all program and loan agency guidelines. Loan rates vary based on program, loan type and amount of assistance provided. Not all applicants will qualify. All MCC holders or applicants should consult their own tax advisor or the Internal Revenue Service for guidance regarding the calculation of the tax credit benefit. This is not an offer to lend money or solicit a mortgage application. A first-time buyer is someone who has not owned a home in the past 3 years. Title 38 of the Code of Federal Regulations defines a veteran as "a person who served in the active military, naval, or air service and who was discharged or released under conditions other than dishonorable".
