Their big portions mean you will never leave the truck hungry! Daniel, truly believes food can bring people together. At Kingdom Grub it's all about seeing their customers smile after every bite and leaving with a full belly.

JOBS FOR NEVADA'S GRADUATES

WHO: Established in 2014 by Governor Sandoval to address the high dropout rate and low career engagement for our youth, Jobs for Nevada's Graduates (J4NG) aims to inspire, support and mentor the most vulnerable high school students in Nevada, who, without intervention, are likely to drop out or will not graduate.

WHAT: J4NG Specialists are embedded on school campuses statewide, teaching an elective credit class focused on personal development, graduation requirements and career exploration to grades 9 - 12. Youth remain in the program for up to 2 years following graduation.

WHEN: For nearly 10 years, our Specialists have worked to help students meet their goals through every school session and continue to monitor student progress over breaks and for up to two years after graduation.

WHERE: We are a state-wide program with 55 school-based programs in 14 counties across Nevada.

WHY: The J4NG program has a 97% graduation rate, and 78% of the graduates leave the program already engaged in work, post-secondary education, career

training, military enlistment, or a combination full time. Participants receive supportive services such as transportation assistance, professional attire, tutoring, etc. while in school and for up to two years after receiving their diploma.

HOW: J4NG cannot drive this success and meet the needs of young people without the support of our community.

- We need volunteers to visit the classrooms to inspire students with their own stories.
- We need partners in the community to open internship, scholarship, and employment opportunities to our students.
- We need sponsors for our annual Career Development Conference and Legislative Day trips.
- We rely on the generosity of donors to help fund our programs and keep our Specialists in classrooms to provide daily support the students can count on.

If you would like to learn more about J4NG or contribute to shaping the future of Nevada's youth, please visit www.j4ng.org. You can reach our Elko based Career Pathways Specialist Ashley at amoore@j4ng.org.
