THE VOICE OF BUSINESS

Merry Christmas

The Elko Area Chamber would like to officially wish you and your family a Merry Christmas and a Happy New Year!

As you finish your holiday shopping (or are just starting), the Chamber asks you to consider spending at local retailers when possible.

Many of the businesses in the Elko Area are almost exclusively owned and run by "real people" who are your neighbors: the person in line behind you at the grocery store, the mom cheering beside you at the Saturday morning soccer game, the family sitting next to you in church, or the friendly face serving up your favorite lunch.

The Chamber is so grateful to have such an abundance of small businesses within our area. Investing your dollars back into our local businesses ensures that the community values we treasure most will continue for future generations. By supporting these businesses, you are ensuring thousands of residents can remain employed and provide for their families in this community.

As the voice for the Elko Area Chamber, we say go forth and spend locally and generously, stimulate the economy, and happily support our local businesses. We are so proud of our Chamber Check program as we have kept almost twelve million dollars in our community. They are the perfect gift for your employees, hairdresser, mailman, etc... Around \$350,000 in Chamber Checks will be purchased in November and December by local businesses and residents that believe in supporting our community, especially our small businesses.

This Holiday season, reach out to someone you know who is alone, help someone in need and always be humble and kind. Thank you for another great year! The Elko Area Chamber is so honored to be a part of your business and we look forward to helping you succeed in 2024.

-The Elko Area Chamber Board and Staff

Elko Lions Club News

The Elko Lions Club has been the best kept secret in Elko County for the past 84 years. The Club is intentional about changing that. From what's happening at Camp Lamoille to the organizations that receive our funding, we want to involve our community in our service organization and its goals.

The camp in beautiful Lamoille Canyon has closed for the season. The Camp Director and crew are already looking forward to and planning projects for 2024. Currently, the extensive project is seeking bids to replace the Lodge destroyed in the Range 2 fire in September 2018.

The plans are for fewer of the amenities of a lodge and more kitchen facilities. The club and our campers are looking forward to having more than just our pavilion.

In May, the Lions Club holds its annual fishing derby. This year it was only at South Fork Reservoir over Memorial Day Weekend. We donated the proceeds from this annual fundraiser to organizations that support youth in our community. This year's sponsors are Riverton Superstore, Gallagher Ford, Brent Stokes State Farm Insurance, and Elko Home Depot. The Home Depot generously donated a Traeger Grill. Without the continued generous contributions of our sponsors, we could not invest in Elko County's youth.

Lions Club

On October 3rd, the Lions Club invited leaders and youth from the organization receiving funds to attend a weekly club meeting where they could meet each other and our sponsors. Brent Stokes, who was the catalyst for the now annual fishing tournament, spoke about investing in young people because they are our future. From State Champions in sports to public speaking competitions, the Lions club intentionally invests in activities and events that help high school-aged students receive scholarships and support for their academic and career goals. It is the club's policy to not publicly identify minors.

The Elko Host Lions Club is proud to announce its 2023 Fishing Tournament recipients:

Spring Creek High School Boys Soccer, Spring Creek High School FCCLA, Elko High School Boys Basketball, Elko High School Rodeo, Ruby Mountain FFA, Boys and Girls Club Elko, Elko Wrestling, Elko Country Gold, Elko High School Track, and Elko High School Girls Basketball. Without sponsors and community support, service organizations like Lions Clubs International cannot generously contribute to our community

Starting mid-November, the Lions Club will sell See's Candy. All the money raised remains in our community, benefiting both individuals and organizations. If you're interested in finding out when and where our See's Candy sales are happening, please follow the club on Facebook: <https://www.facebook.com/ElkoLions>

It is a busy season for non-profits: services needed, events to hold. But staff burnout is a real issue. After the last event, take some time to recharge with family and friends. We'll be here to help with your goals afterwards.

At Gavorsky Consulting, we work with rural non-profits, tribal organizations, and local governments to develop, promote, and manage projects with a constant emphasis on self-sustainability at the community level, with over 10 years' experience working with non-profits, tribes, and communities across northeastern Nevada and beyond.
