# Merry Christmas!

The weeks leading up to Christmas are some of my favorite times of the year! The holiday spirit creates a warm, kind and giving environment – even during the hustle and bustle of year-end activities, holiday parties and gift buying. I look forward to carrying that spirit into 2026 and maintaining an attitude of gratitude throughout the entire year.

I want to take the time to reach out to our membership, both new and longstanding, to thank you for making the Elko Area Chamber a continued success. If you have been to any of our many opportunities in the last year, you have seen the energy and camaraderie present at the Chamber's many events.

The Chamber presents an opportunity for all members to grow their network, and in turn, grow their business. It can allow you to forge professional and personal relationships which can last for many years. I invite all of you to feel the energy, make connections, and be active in what I believe is one of the best resources our community has at its fingertips.

As an essential part of the development of businesses in our community, the Elko Area Chamber is here for you. I wish you a Holiday Season and a New Year that is happy, hopeful and bright.

Manpower<sup>®</sup>

#### Manpower Temporary Services: Connecting Elko's Workforce for Decades

This month, the Elko Area Chamber is proud to shine the spotlight on Manpower Temporary Services, a longstanding business that has played a vital role in supporting Elko's workforce for more than four decades. Locally led by Market Manager Jenna Chance, Manpower has been in business for 46 years and has been an active Chamber member since February 1990.

#### A Mission Rooted in Community Growth

Manpower Temporary Services operates with a clear purpose: helping people find meaningful employment while connecting businesses with the employees they need to thrive. This dual mission strengthens the local economy and supports the overall well-being of the Elko community.

#### Chamber Partnership and Local Impact

As a long-time Chamber member, Manpower values the benefits that come from being part of a strong network of local businesses. According to Chance, the Chamber plays a key role in bringing companies and small businesses together while providing valuable advertising that keeps the community informed about available goods, services, and employment opportunities. This partnership continues to enhance Manpower's visibility and impact throughout the region.

#### A Unique Advantage: Flexible Workforce Solutions

One fun and notable fact about Manpower Temporary Services is their remarkable flexibility. The company can assist with employee placement for any length of time—whether a business needs help for just four hours, a couple of days, several months, or even years. This adaptability has made Manpower a trusted resource for employers with a wide range of staffing needs.

#### Chamber Checks and Future Possibilities

At this time, Manpower Temporary Services does not accept Chamber Checks as a form of payment. However, Chance shared that this is something she hopes to pitch as a future possibility to company leadership, showing their continued commitment to supporting local initiatives.

#### Advice for New Business Owners

For those just starting out, Chance offers valuable advice: get involved with the Chamber as soon as possible. She emphasizes that the Chamber's resources—especially assistance with advertising and community activities—are "priceless" for any business looking to grow.

Manpower Temporary Services exemplifies dedication to community, workforce development, and local collaboration. The Elko Area Chamber is proud to spotlight them and looks forward to their continued success and contributions to the Elko region.
