Investing in Your Community Through Local Shopping

When you choose to shop at a small local business, you're not just making a purchase, you're making an investment in your community. Small businesses represent the backbone of the Chamber and our area, playing a crucial role in creating jobs, driving innovation, and fostering a strong sense of community.

Why Shopping Local Matters

- **Job Creation:** Small businesses are significant job creators, providing employment opportunities right within our neighborhoods. By supporting these businesses, you help sustain local jobs and contribute to economic growth.
- **Unique Products and Services:** Local shops offer distinctive products that embody the character and culture of the community. These items are often unavailable elsewhere, making each purchase a reflection of local identity and creativity.
- **Stronger Communities:** Small businesses routinely support local events, charities, and initiatives, thereby reinforcing community bonds. Their active involvement helps build a vibrant and connected area.
- **Environmental Impact:** Shopping locally helps reduce the carbon footprint associated with long-distance shipping and distribution, making it a more sustainable choice for consumers.

Leveraging the Elko Area Chamber to Support Local Businesses

The Elko Area Chamber serves as a valuable resource for discovering local businesses. Whether you are interested in unique boutiques, cozy cafes, recreational hotspots, or professional services, the Chamber connects you with a diverse range of local enterprises to meet your needs.

The Bottom Line

Every purchase you make is a vote for the kind of community you want to live in. By choosing to shop small and local, you support not just individual businesses but the very fabric of the Elko Area. So, the next time you're seeking a gift, a meal, or a service, think local—and watch how your community thrives. Thank you for your ongoing support!

Spotlight

Rest, Restoration, and Roadside Hospitality: Welcome Station RV Park

This month, the Elko Area Chamber is proud to spotlight Welcome Station RV Park, a welcoming destination dedicated to rest, connection, and hospitality for travelers and families alike. A Chamber member since 2025, Welcome Station RV Park has been serving the community and visitors to the area for eight years, offering more than just a place to park—providing a space to recharge and feel at home.

A Mission Rooted in Rest and Restoration

At the heart of Welcome Station RV Park is a meaningful motivation: sharing a beautiful place that can provide rest and restoration to fellow travelers and families. Under the management of Jake Burns, the park focuses on creating an environment where guests can decompress after long days on the road and enjoy moments of calm, comfort, and connection.

Building Community Through the Chamber

Since joining the Elko Area Chamber, Welcome Station RV Park has benefited from opportunities to network locally and expand its reach throughout surrounding communities. The Chamber's support has helped strengthen relationships and increase visibility, reinforcing the park's role as a community-minded business that values collaboration.

An Interesting Fact Worth Sharing

From its very beginning, Welcome Station RV Park has been a place that brings people together. The business was built with the help and support of others at every stage, reflecting a strong foundation of teamwork, generosity, and shared effort that continues today.

Chamber Checks

At this time, Welcome Station RV Park does not accept Chamber Checks as a form of payment.

Advice for New Business Owners

For those just starting out, the advice from Welcome Station RV Park is both simple and heartfelt: smile and help others enjoy the moment—especially those who have had a long day and come to decompress. Kindness, genuine hospitality, and working from the heart are values they believe will always help a business grow.

Welcome Station RV Park is a wonderful example of how warmth, community spirit, and intentional hospitality can create lasting impact. The Elko Area Chamber is proud to have them as a member and looks forward to seeing their continued success and positive influence in the region.

Dear Businesses of Elko and Spring Creek,

We hope this message finds you well. On behalf of the Horizon Hospice volunteers and families we serve, we want to express our heartfelt gratitude for your unwavering generosity and ongoing support over the years. Your contributions have made a significant impact in our community, providing vital support for those facing terminal illness, and for that, we sincerely thank you.

As the only non-profit all volunteer hospice in Elko County, we rely deeply on the kindness and backing of our incredible community, especially from respected businesses like yours. Our annual Souper Bowl Event is our primary fundraising effort, and the proceeds from this event are essential for us to continue offering support services to terminally ill individuals free of charge. Thanks to your generosity, we have been able to provide comprehensive care, including case management, volunteer support, respite care, grief coaching, grief support groups, and guidance from compassionate end-of-life doulas. In addition, our Compassionate Care Program extends to comfort medications, nurse visits, and assistance with necessary medical supplies and equipment.

As we eagerly prepare for our **20th Annual Souper Bowl Benefit**, we humbly ask for your support once again. We welcome raffle items, silent auction contributions, sponsorship or cash donations to help us ensure a successful event this year, **scheduled for April 17, 2026**. Your involvement can truly make a difference in the lives of those we serve.

If you have any questions or need further information about how you can contribute, please don't hesitate to reach our office. We genuinely appreciate the time and effort you devote to helping Horizon Hospice continue its compassionate mission.

Warm regards,
Horizon Hospice Volunteers
