Summer is finally here! In preparation for the vacation season, many of us will be purchasing items for the summer and for countless outdoor activities. People will be shopping for clothes, bathing suits, and buying new equipment for various lawn care and garden needs.

In the hustle and bustle of this brisk shopping season, many shoppers will turn to the internet to make their purchases. Shopping on the internet can be fun and convenient, but before you head straight to your computer or phone, I encourage you to consider shopping locally.

Why should you shop locally? There are so many reasons why you should, but the most important reason is because it directly supports the local economy. You are helping to support local jobs and are helping local businesses. These businesses give back to the community in ways big out-of-town retailers simply cannot because they are not physically located here. Shopping locally is fun and provides a customer service experience unlike any you'll find on the internet. Before automatically defaulting to the internet for all your purchases, I encourage you to also consider the local small businesses that depend on all of us to keep them healthy and growing.

So next time you need to make a purchase or just go shopping for fun, look around our community at the hundreds of options available right here at home. You'll be supporting your friends and neighbors and pumping up our local economy.

Participating lenders are responsible to follow all program and loan agency guidelines. Loan rates vary based on program, loan type and amount of assistance provided. Not all applicants will qualify. MCC applicants should consult their own tax advisor or the IRS for questions regarding the MCC tax credit benefit. This is not an offer to lend money or solicit a mortgage application. A first-time buyer has not owned a home in the past 3 years. Title 38 of the Code of Federal Regulations defines a veteran as "a person who served in the active military, naval, or air service and who was discharged or released under conditions other than dishonorable".
