## SHERMAN DINNER & AUCTION DONATIONS

The Elko Area Chamber is excited to announce our annual Sherman Station Dinner & Auction on July 25th. This evening features live and silent auctions, as well as raffle prizes, to support the restoration, preservation, and maintenance of the Historic Sherman Station.

Thanks to past support, we recently completed over \$100,000 in projects, including sidewalk installation, outbuilding re-chinking, painting, and staining. Most recently, we were also able to replace our electronic sign.

We are looking for local businesses to support this year's event through the following:

- Raffle and Auction Items: We welcome donations of any size. Your business will be recognized on the item and announced during the event.
- Monetary Donations: Direct contributions go toward the ongoing care of the station.
- Event Attendance: Tickets are \$75 each, which includes a BBQ dinner, dessert, and an open bar. Tables of eight are available for \$600 and tables of ten for \$750. Cocktails begin at 6:00 PM, followed by dinner at 7:00 PM.

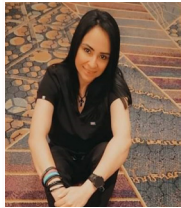

**If you are interested in donating an item, providing a monetary gift, or purchasing tickets, please contact Billie at [ceo@elkonevada.com](mailto:ceo@elkonevada.com) or 738-7135. We are also happy to coordinate the pickup of any donated items.**

## Spotlight

### Elko Replenish Med Spa: A Commitment to Wellness & Community

This month, the Elko Area Chamber is proud to spotlight Elko Replenish Med Spa, a Chamber member since 2021 that has been serving the community for the past five years. Owner and Family Nurse Practitioner Josie Cervantes has built the business around a mission of helping individuals achieve healthier, more balanced lives through proactive wellness and personalized care.

#### A Vision Rooted in Wellness

At the heart of Elko Replenish Med Spa is the belief that true health extends beyond simply treating illness—it begins with prevention, education, and empowerment. Josie's motivation stems from her belief that wellness is a lifelong journey and that individuals deserve access to resources that support not only their physical health, but also their confidence and overall well-being.

Through a thoughtful blend of preventive care, beauty services, and wellness-focused treatments, Elko Replenish Med Spa has created an environment where people feel encouraged to take an active role in their health. Every service offered is guided by a desire to help individuals feel stronger, healthier, and more confident in their daily lives.

#### Partnership Through Community Connection

As a member of the Elko Area Chamber, Elko Replenish Med Spa values the opportunities that come through community partnerships and networking. The Chamber's visibility initiatives, advocacy efforts, and local connections have helped strengthen the business while expanding its reach throughout the community.

#### A Powerful Story Behind the Mission

One of the most inspiring aspects behind Elko Replenish Med Spa is the personal journey that shaped its vision. Josie shares that a life-changing near-death experience became a profound turning point and helped reinforce the importance of proactive wellness and living with purpose.

That experience inspired a deeper mission: creating a space where health is viewed not simply as reacting to illness, but as an opportunity to optimize well-being every day. Today, that purpose continues to guide the services and support offered through the practice.

#### Supporting Local Through Chamber Checks

Elko Replenish Med Spa proudly accepts Chamber Checks and recognizes their importance in strengthening the local economy. By participating in the Chamber Check program, the business helps keep dollars circulating within the community while supporting fellow local businesses and encouraging residents to invest in Elko's growth and success.

#### Advice for New Business Owners

Josie encourages new business owners to remain grounded in their purpose and let that vision guide every decision they make. She emphasizes the importance of building meaningful relationships, listening to the community, embracing adaptability, and defining success beyond financial growth alone.

Her philosophy reflects the foundation on which Elko Replenish Med Spa was built: creating lasting impact through service, connection, and genuine care for others.

Elko Replenish Med Spa serves as an inspiring example of how personal experiences, passion, and purpose can create meaningful change. The Elko Area Chamber is proud to have them as a valued member and looks forward to seeing their continued growth and impact within the community.

# ELKO CITY COUNCIL

**Hello, I'm Jim Winer, and I am running for a seat on the Elko City Council.**

Elko has been my home for 36 years, and I care deeply about its future. During my 35 year career, I was a small business owner in real estate and development. My focus was on helping local businesses grow, bringing new business opportunities into our area, and developing residential, commercial and industrial projects that helped support a strong, growing and balanced City. I believe in our community and its potential. And I believe with the right leadership, we can once again grow the community responsibly, diversify and strengthen our local economy, and preserve the values that make our town special.
