CareSource: Advancing Healthcare in Rural Nevada

This month, the Elko Area Chamber proudly shines the spotlight on CareSource, a mission-driven healthcare organization that has been serving communities since 1989. With 37 years in operation and a proud member of the Elko Area Chamber since 2025, CareSource continues to make a meaningful impact across Nevada, including right here in Elko.

A Mission Rooted in Community

At the heart of CareSource's work is a deep commitment to helping communities thrive. Dawn Warner, Rural Health Liaison, shares that what motivates her most is "helping our community thrive and knowing I can make a meaningful difference, even in small ways."

Living and working in Elko, Warner sees firsthand the importance of connection and access to the right resources. CareSource is driven by relationship-building—bringing people together, working collaboratively, and ensuring neighbors have real opportunities to succeed and live healthier, more stable lives. Their work goes beyond healthcare coverage; it is about strengthening the fabric of the community.

Chamber Partnership & Rural Collaboration

As a Chamber member, CareSource values the Elko Area Chamber's role in promoting and protecting the interests of the local community. The Chamber creates meaningful opportunities to meet new people, build relationships, and collaborate—an especially critical function in a rural area.

For organizations like CareSource, these connections allow them to better understand local needs and form strong partnerships with providers, schools, nonprofits, and other community groups. In rural communities, collaboration is not optional—it is essential to improving outcomes and expanding access to care.

An Interesting Distinction

CareSource stands out as the only nonprofit managed care organization serving the people of Nevada. As a mission-driven and member-centric organization, this structure allows them to focus on transforming healthcare through innovative programs that make a lasting difference in members' lives—rather than prioritizing profit for shareholders. Their nonprofit status reinforces their commitment to community impact and long-term health improvements.

Chamber Checks

At this time, CareSource does not accept Chamber Checks; however, they look forward to evaluating that option as part of their growing partnership with the Elko Area Chamber.

Advice for New Business Owners

CareSource offers thoughtful guidance for new business owners in rural Nevada: success begins with becoming an active and trusted part of the community. Taking time to listen, build relationships, and understand the unique strengths and challenges of the area is essential.

In rural communities, businesses are more than service providers—they are partners, neighbors, and advocates. Especially in healthcare, collaboration is key. Strong businesses show up, support local efforts, and remain focused on improving quality of life. When organizations lead with purpose, transparency, and a genuine commitment to those they serve, trust grows—and with it, long-term sustainability and meaningful impact.

The Elko Area Chamber is proud to highlight CareSource and looks forward to their continued leadership and positive influence in the Elko community.

Dear Businesses of Elko and Spring Creek,

We hope this message finds you well. On behalf of the Horizon Hospice volunteers and families we serve, we want to express our heartfelt gratitude for your unwavering generosity and ongoing support over the years. Your contributions have made a significant impact in our community, providing vital support for those facing terminal illness, and for that, we sincerely thank you.

As the only non-profit all volunteer hospice in Elko County, we rely deeply on the kindness and backing of our incredible community, especially from respected businesses like yours. Our annual Souper Bowl Event is our primary fundraising effort, and the proceeds from this event are essential for us to continue offering support services to terminally ill individuals free of charge. Thanks to your generosity, we have been able to provide comprehensive care, including case management, volunteer support, respite care, grief coaching, grief support groups, and guidance from compassionate end-of-life doulas. In addition, our Compassionate Care Program extends to comfort medications, nurse visits, and assistance with necessary medical supplies and equipment.

As we eagerly prepare for our **20th Annual Souper Bowl Benefit**, we humbly ask for your support once again. We welcome raffle items, silent auction contributions, sponsorship or cash donations to help us ensure a successful event this year, **scheduled for April 17, 2026**. Your involvement can truly make a difference in the lives of those we serve.

If you have any questions or need further information about how you can contribute, please don't hesitate to reach our office. We genuinely appreciate the time and effort you devote to helping Horizon Hospice continue its compassionate mission.

Warm regards,
Horizon Hospice Volunteers
