Zero Suicides of Elko County

Zero Suicides Elko County (ZSEC) is committed in educating Elko County about suicide prevention along with taking care of your mental health, "Saving Lives & Enriching Communities through Education, Collaboration and Suicide Prevention."

Since 2010, there have been special events in September for Suicide Prevention Awareness month. The events continue to happen, except now it is not only in September, it is year round. In September 2020, ZSEC became an official non-profit.

ZSEC brings suicide awareness training to Elko County. They also do presentations for schools to get the word out to our youth that they matter, their mental health matters, and their life matters.

Something they work on with community members is language. When they hear someone say, "committed suicide" or "completed suicide", they respectfully remind them to say, "died by suicide" or "died of suicide". Language matters to

those who are left behind due to losing a loved one to suicide and to those who have attempted suicide. It's going to take all of us to eliminate judgemental language and the stigma associated with mental health.

ZSEC has 8 board members, Lynette Vega-Founder/President, Louri Lesbo-Vice President, Carol Farrell-Secretary, Stormy Remington-Treasurer, Wendy Charlibos-Community Liaison, Toni and Scott Rakestraw-Directors, and Karina Solis-Director. It is our hope for our community to go a whole year without a suicide. It will take all of us to stop suicides in our community. We can do this by educating ourselves about mental health, recognizing when someone needs help and, most importantly, reaching out for help. And It's Okay to Not be Okay.

If you or someone you know is struggling or in crisis, help is available. Call or text 988 or chat 988lifeline.org

THE VOICE OF BUSINESS

EVERGREEN
flower & events co.

My name is Tania Kump, I was born and raised in Elko, NV, and attended NNCC where I received my associate nursing degree. For the next 31 years I worked in many different areas of nursing.

On April 1, 2021, my husband and I bought Evergreen Flower Shop with Scott Ygoa. When the moment arose to buy a flower shop, we jumped on it, as I have always had a love for gardening and creating things with my hands. Although it is something completely different and challenging, the opportunity to own and run a small business has been very rewarding.

Evergreen Flower and Gift Shop is a multi-decade, local business that has served the Elko community in many ways. We offer premium floral arrangements, a variety of alcohol, such as wine, whiskey, seltzers, ect., custom decor, custom gift baskets, fresh ground or whole bean coffee and much more. As a business, we pride ourselves on intelligent, personal service, creating custom orders for each customer. We are committed to achieving the legendary level of service that nurtures long-term relationships that make you a customer for life. We appreciate creative thinking and look forward to helping bring your vision to life!

Evergreen Flower and Gift Shop is located at 232 3rd Street, kitty corner from The Star Hotel. Stop by and see us or call, 775-738-5101.

SKIN CANCER AWARENESS

MONTH MAY 2023

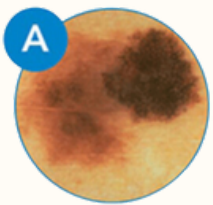

It's estimated that 1-in-5 Americans will be diagnosed with skin cancer in their lifetime. The good news is that skin cancer is largely preventable and can be caught early with regular skin checks.

Practice the 5 S's to stay Sun Smart:

- **Slip** on sun protective clothing.
- **Slop** on broad spectrum SPF 30+ sunscreen and reapply every 2 hours.
- **Slap** on a wide-brimmed hat.
- **Seek** shade or shelter, especially from 10 a.m. to 4 p.m.
- **Slide** on UV protective sunglasses.
- **Bonus:** Avoid indoor tanning!

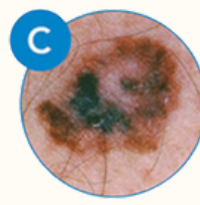

Check your skin with the ABCDEs:

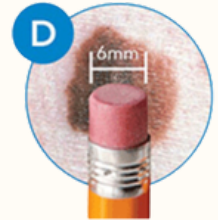

Asymmetry: Half of the spot is unlike the rest.

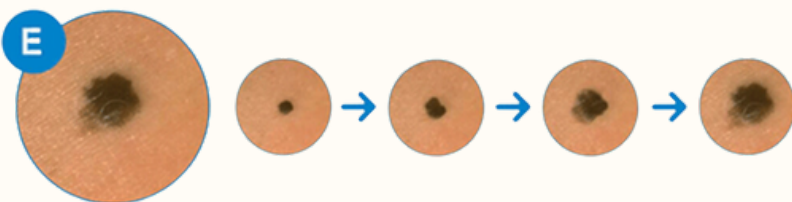

Border: Irregular, scalloped or undefined border.

Color: The spot has varying colors within itself.

Diameter: Anything larger than a pencil eraser, about 6mm.

Evolving: The spot looks different from the rest and is changing in size, shape or color.

GET THE TEAM BACK TOGETHER

Summertime is approaching.

While downtime is great, it is also a prime opportunity to get your board and membership together to lay a plan to move forward. It is also a great time to reach out to audiences old and new.

At Gavorsky Consulting, we work with rural non-profits, tribal organizations, and local governments to develop, promote, and manage projects with a constant emphasis on self-sustainability at the community level. Located in Elko, we bring over 10 years' experience collaborating with partners in rural northern Nevada and far beyond.

Nevada Rural Housing does not originate mortgage loans. Eligibility is determined by licensed lenders approved to offer the programs. Participating lenders are responsible to follow all program and loan agency guidelines. Loan rates vary based on program, loan type and amount of assistance provided. Not all applicants will qualify. MCC applicants should consult their own tax advisor or the IRS for questions regarding the MCC tax credit benefit. This is not an offer to lend money or solicit a mortgage application. A first-time buyer has not owned a home in the past 3 years. Title 38 of the Code of Federal Regulations defines a veteran as "a person who served in the active military, naval, or air service and who was discharged or released under conditions other than dishonorable".
