Communities In Schools of Northeastern Nevada is proud to host our 13th Annual A Nite at the Races on Friday, May 15th. This signature event brings together community members, businesses, and supporters for an engaging evening, all in support of local students.

Communities In Schools (CIS) works directly in schools to remove barriers for student success. In Elko County, CIS currently serves students in 12 partner schools and 18 general youth sites, reaching nearly 10,000 students each year. Through our CIS site coordinators, we provide academic support, basic needs assistance, mental health resources, a Weekend Food Bag Program, and connections to community services to ensure every student has what they need to stay in school and achieve in life.

Funds raised from A Nite at the Races directly support these efforts. Proceeds help provide essential items such as food, clothing, and school supplies, and fund programs such as mentoring, college and career readiness, and family engagement. Every dollar raised stays local, making an immediate impact on students and families throughout Elko County.

Your support helps us continue this important work and ensures that all students reach their full potential.

Journeys Around the World: Turning Travel Dreams into Reality

This month, the Elko Area Chamber is proud to spotlight Journeys Around the World, a locally trusted travel business dedicated to creating unforgettable experiences across the globe. Owned by Sue Bradford, the business has been serving clients for 10 years and has been a valued Chamber member since 2017.

Creating Meaningful Travel Experiences

At the heart of Journeys Around the World is a passion for connection and exploration. Sue Bradford is driven by the opportunity to turn each trip into a lasting memory, helping clients experience the world in meaningful and memorable ways. From planning dream vacations for families to coordinating seamless travel logistics, every detail is handled with care. The ever-evolving nature of the travel industry continues to inspire growth, learning, and a commitment to delivering exceptional service.

Chamber Partnership & Community Impact

As a longtime Chamber member, Journeys Around the World values the many benefits that come with being part of the Elko business community. Through increased visibility and credibility, the business has strengthened its reputation as a trusted local resource. Participation in networking events, mixers, and community gatherings has helped build lasting relationships, while marketing support—including directory listings, social media promotion, and newsletter features—has expanded their reach.

A Unique Advantage

One standout feature of Journeys Around the World is its client-first approach to pricing. The business does not charge additional agency fees, allowing clients to benefit from professional travel planning services at no extra cost—an added value that sets them apart in the industry.

Chamber Checks

At this time, Journeys Around the World does not accept Chamber Checks. However, their continued involvement in Chamber programs and events plays an important role in supporting a strong and connected local business network.

Advice for New Business Owners

Sue offers thoughtful advice for those starting their own business: “Know your ‘why.’ Your mission should be more than just making money. A clear sense of purpose will help you push through the inevitable tough days.” This perspective reflects the intentional and purpose-driven approach that has guided Journeys Around the World’s success over the past decade.

Journeys Around the World is a wonderful example of how passion, purpose, and personalized service can create lasting impact. The Elko Area Chamber is proud to have them as part of its membership and looks forward to their continued success in helping others explore the world.
