## Nevada Women's Fund: Four Decades of Impact in Northern and Rural Nevada

This month, the Elko Area Chamber is honored to shine the spotlight on Nevada Women's Fund (NWF), a nonprofit organization that has been serving Northern and rural Nevada for more than four decades. A proud Chamber member since earlier this year, NWF continues to make an incredible impact through its mission of empowering women to achievement.

### A Mission of Empowerment

At the heart of Nevada Women's Fund is a powerful purpose: helping women achieve success in education, careers, and beyond. From awarding scholarships for both degree and non-degree opportunities to supporting women in the workforce with career advancement and professional development, NWF has been a steadfast champion for women's growth for 42 years. Beyond direct support, the organization also leads important conversations around wage parity, workplace equality, and creating environments where women can compete on equal footing with their male counterparts.

### Community Engagement & Advocacy

For NWF, community means more than just geography. It includes the companies, organizations, foundations, and individuals who support their mission, as well as the women they serve. This broad network allows NWF to act as both a resource and a voice—uplifting women while educating and inspiring the wider community. Their efforts have positioned them as a thought leader for women's issues across the Silver State.

### Meeting Challenges with Leadership

One of the most significant challenges in the non-profit space is the misconception that nonprofits should operate on limited budgets, leaving little room for general operating support. CEO and President Ila Friedenthal emphasizes the importance of unrestricted funding: "If donors trust the mission, they should also trust the people leading it—and invest in the infrastructure that makes impact possible." With this mindset, NWF continues to advocate for sustainable support that allows them to serve women more effectively.

### Advice for Aspiring Nonprofit Leaders

Ila offers valuable advice to those considering starting a nonprofit organization:

- Don't reinvent the wheel—collaborate. Look at what already exists, and seek opportunities to work together rather than duplicating efforts. Collaboration leads to greater impact.
- Passion alone isn't enough. While passion drives purpose, successful nonprofits require strong leadership, planning, financial management, and operational skills. Treat your nonprofit as the business it is, with strategy and sustainability at the forefront.

### A Remarkable Impact

One of the most inspiring facts about Nevada Women's Fund is the measurable difference they've made: over \$10.5 million awarded to women in Northern Nevada, with more than 30% of their annual funding staying in rural Nevada communities. This dedication ensures women in places like Elko have access to the resources and opportunities needed to achieve their goals.

Join Nevada Women's Fund on October 9th at the Elko Conference Center for the 2nd Annual Celebrating Achievement Dinner, featuring keynote speaker Commander Rebecca Calder, USNR (Ret.), who in 2004, became the first female pilot to graduate from the U.S. Navy Fighter Weapons School — TOPGUN. For more info and tickets, visit: [www.nevadawomensfund.org/celebrating-achievement-event](http://www.nevadawomensfund.org/celebrating-achievement-event)

The Elko Area Chamber is proud to welcome Nevada Women's Fund as a member and celebrate their extraordinary legacy of service, advocacy, and empowerment. We look forward to seeing the continued impact they will make in Elko and throughout Nevada for years to come.

## 2026 ELKO COUNTY “COWTOWN STATE OF MIND” PARTNERSHIPS

For those of us who live and work in Elko County, we know there is a special quality of life. For the 41<sup>st</sup> annual National Cowboy Poetry Gathering, we have decided to share our *Cowtown State of Mind* with the 8,000 visitors who will be part of our community for one magical week, and we invite YOU to be part of this locally grown experience.

- As we have done for decades, 4,600 students will participate in the workshops offered through our annual Youth Festival.
- Elko County FFA students have been invited to usher at ticketed events and introduce talent from the stage.
- Local businesses that are often running to serve our visitors will be lifted throughout the week through our new partnership program.

### INTRODUCING COWTOWN STATE OF MIND PARTNERSHIPS

For the first time, we are offering Elko County businesses that have never sponsored Cowboy Poetry the opportunity to partner with us for the programming that focuses primarily on growing participation in the art form and new audiences. And we're offering this for an entry level of just \$500, for which you will receive:

- Two deluxe passes to Cowboy Poetry
- The 41st National Cowboy Poetry Gathering poster, *Headin' Out* (2025) by Clara Smith
- Your business name in the program attached to your sponsorship of one of the following:
  - Youth Festival activities such as leather stamping workshops, western gear and branding workshop, the scavenger hunt, or sarsaparilla sampling
  - One of the up to 10 school assemblies in where pairs of artists visit schools district-wide
  - Open mic sessions – one of 10 poetry open mics, one of seven music open mics, or the Young Buckaroo Open Mics

We can't wait to highlight everything that makes OUR Cowtown so special, and we look forward to sharing your business as part of our celebration of all things Elko and all things Cowboy!

**So do these 3 programs  
that help Elko homebuyers!**

## **1 Home At Last™**

Customized loan options with or without down payment assistance NOT JUST for first-time buyers!

## **2 Launchpad**

This program pairs a below market rate WITH down payment assistance! This program is the best in town for first-time and repeat buyers.

## **3 Tax Credits**

Use the power of the Mortgage Tax Credit to boost your income. Eligible buyers use tax credits to help qualify for a loan.

**See more at [BuyRuralNV.org](http://BuyRuralNV.org)**

Nevada Rural Housing does not originate mortgage loans. Eligibility is determined by licensed lenders approved to offer the programs. Participating lenders are responsible to follow all program and loan agency guidelines. Loan rates vary based on program, loan type and amount of assistance provided. Not all applicants will qualify. MCC applicants should consult their own tax advisor or the IRS for questions regarding the MCC tax credit benefit. This is not an offer to lend money or solicit a mortgage application. A first-time buyer has not owned a home in the past 3 years. Title 38 of the Code of Federal Regulations defines a veteran as "a person who served in the active military, naval, or air service and who was discharged or released under conditions other than dishonorable".
