Dear Estherville Community:

The Estherville Lincoln Central School District and Iowa Lakes Community College are excited to announce our 1st Back to School Bash for the Estherville Community on Wednesday, August 21, 2013 from 5:30 – 8:00 p.m. This event is to celebrate the start of a new academic year for **all** the students in the Estherville Community. The event will be open to ALL community members to come out and show their support for the Estherville students and enjoy a FREE meal and activities.

We envision every student having the best learning opportunities possible, beginning with the support they need to be successful from the community they represent in the classroom, during extra-curricular activities, and on the athletic fields. This back to school event will help to provide our students the positive interactions with their own families as well as the community to help them look forward to the new and successful school year.

We would like to ask our business community for their support with multiple options to choose from. Your support can be shown through volunteering to help at the event, providing an activity area (i.e. dunk tank, duck races, cotton candy machine, etc.), setting up your own give-a-way table with school supplies, or through a monetary donation to help support the event. Every event will be open to all who choose to come. If you could help out in any of these ways please fill out the form on page 2 of this letter and return it to the ELC Schools, 1814 7th Avenue South, Estherville, IA 51334 before July 19th.

It will be through our community partners and individuals to make this event a success and we are very grateful for your continued support of the ELC School District and Iowa Lakes Community College. We invite you to join us in continuing to prepare and inspire the students of our community.

Educationally,

Tara Paul
