# BUENA VISTA UNIVERSITY

Buena Vista University has retained its standing as the **third best value** school among Midwest regional colleges in U.S. News & World Report's 2015 Best Colleges Rankings publication.

*"The higher the quality of the program and the lower the cost, the better the deal."* – U.S. News & World Report. We want students to take advantage of this quality, affordable, and career enhancing opportunity today.

The value of BVU means:

- **Convenience and Flexibility** — We understand student's needs and provide eight-week BVU classes at **Iowa Lakes Community College's convenient locations in Spencer, Spirit Lake, Emmetsburg or Estherville**. Evening, online, and hybrid class options give students added flexibility should they need it.
- **Affordability** — Those who receive the full allotment of federal and state aid can receive more than \$10,000 in free grant aid every year. We'll do whatever we can to make the price work for students.
- **Outstanding outcomes** — Student's resume will carry a strong academic reputation with "BVU graduate" on it. Their aspirations and career goals will be more attainable than ever with a quality education from BVU.
- **Attention** — The student's professional and academic BVU advisor will walk through each step of the process in an effort to connect them to professional success. Students don't miss a beat with this support!

**Students deserve best value, and we're here to make that happen.**
