## Online Listing

*The Fenton Chamber wants to ensure that all of our members make the most of their Chamber membership investment. As an inclusion of your annual investment, you receive an Online Directory Listing via the Chamber website. Visitors to the Directory have the ability to search by keyword(s), by category, or by company name.*

... **Make sure the Online Directory is working for YOU!** ...

Check your Online Directory Listing via the Chamber Website - [www.fentonmochamber.com](http://www.fentonmochamber.com) and ask yourself the following questions:

- ❑ **Is it accurate and up-to-date? (check spelling, punctuation, etc.)**
- ❑ **Do I have the representative(s) listed that I want people reaching out to?**
- ❑ **Am I listed in the most appropriate category for visitors to find me?**
- ❑ **Is there a map link showing my location? If so, is it correct?**
- ❑ **Try entering keywords as if searching for your business - Did you find it?**
- ❑ **Do I have a "Special Offer" linked to my listing? If yes, is it up-to-date? If no, is that something I want?**
