A festive winter scene illustration. At the top, several wrapped gifts with colorful ribbons (red, yellow, green) are scattered against a dark blue sky with yellow stars. A reindeer with large antlers and a yellow collar is leaping in the upper right. In the center, a red steam train with a black smokestack is pulling a wooden sled. The sled is overflowing with Christmas gifts, including teddy bears, a drum, and wrapped packages. Santa Claus is sitting on the sled. The train is on tracks in a snowy landscape with evergreen trees and small houses in the background. A sign on a post in the foreground reads 'North Pole'.
