

# Deuel Street MS

## Feasibility Study

### \* Update

Come and view the design possibilities for the middle school building created by the University of Colorado School of Architecture students. The Board of Education is requesting your input and comments about some possible ideas for the use of the building once it is no longer used for a school building. Spend an hour or spend 10 minutes. Talk with the students who created the design ideas. Provide your input.

**April 11, 2016, 3:30 to 7:00 p.m.**

**Fort Morgan Middle School  
300 Deuel Street, Ft. Morgan**
