

June 20th-22nd, 2018

Barsness Park, Glenwood

9am-12pm Grades 1-6

Description

The camp is for boys and girls entering first grade to those entering sixth grade. This camp will help introduce players to basic soccer skills, such as footwork, dribbling, passing, and shooting form. In addition, players will learn about sportsmanship and especially about God's love for them through a short devotion each day.

Coaching Staff

Several coaches and volunteers will be assisting with the camp. Our staff is made up of college students, teachers, and other volunteers with various levels of soccer skills and training. We hope to create an enjoyable environment for all the children, so they can learn about the game of soccer and about their Savior.
