

Laker Legends - Summer Child Care Program

Where: Minnewaska Elementary School

Dates: June 4 - August 24 (off for the 4th of July holiday)

Time: Monday-Friday 7:30 a.m. - 6:00 p.m.

Ages: Post kindergarten-3rd grade (generally 6-9 years old but can be older/younger)

Meals: AM and PM snacks will be provided, but children will bring a sack lunch for the summer 2018 program. Based on grant funding, lunch may be offered, however this is not funded at this time.

Billing/Rates: The program will require a deposit of \$150 (the first week's care) to hold slots. This program rate is \$30 per day, per child, and is billed as a weekly rate. Billing will be done through the Minnewaska Community Education auto-withdrawal system and families will prepay for the care for the following week.

Activities: The program would incorporate the Minnewaska Summer Recreation program into its schedule to encourage participation in existing programs and offer a diversity of opportunities for children. This is an enrichment program that will offer many opportunities for community involvement including: weekly field trips, education, gardening, arts, athletics, swimming, trips to local parks, and volunteering.

Registration: On the Minnewaska Community Education website under the "CE Class Registration" tab. Registration will be first come first served and a waiting list will be developed for potential changes in enrollment. This is the CE Class Registration link for enrollment: <https://minnewaska.cr3.rschooldtoday.com/public/home/>

Questions: Please call Minnewaska Community Education at 320-239-1305 or email jchan@isd2149.org.
