

# Summer Children and Teen Grief Support Groups

## Helping Children and Teens Cope with the Loss of a Loved One Summer Grief Support Group Schedule

All children and teens need to be surrounded by love, especially those who have recently experienced the death of a loved one. Recognizing the special needs of these children and teens, Good Shepherd Hospice offers free grief support groups to help young participants learn to work through their feelings of loss in a caring and loving atmosphere.

To address the unique needs of young grievers, Good Shepherd Hospice encourages healing through expressing experiences and emotions through creative interactions with children of similar ages. These support groups are for children and teens, ages 5 to 17. Registration is required and at least one parent/guardian must attend.
