

Indianola Kiwanis Club & Rotary Club

\$25,000 - Pledge Campaign

***PROJECT- Matching Funds Campaign
Inclusive Indianola City Park Play Equipment Project
Completion Date: Spring 2019***

Indianola, Iowa's Kiwanis Club and Rotary Club are interested in establishing a handicap designed play area for children who face difficulties finding an area where they can play along with other children. We already have a public play ground that is ADA compliant and it is well suited for the addition of handicap designed play equipment so that these children can interact with various age groups. We are partnering with the City of Indianola Park and Recreation Department to create this area. Our hope is to add Landscape Structures OmniSpin Spinner and the We-Saw Play Area within the City of Indianola park system

We have various partners within the community willing to provide a matching fund donation up to \$10,000. The Indianola Kiwanis Club and the Indianola Rotary Club are seeking pledge donations to help pay for the cost of equipment. If we are successful in securing our matching pledge goal then pledges monies would be collected. If we are not successful then we thank you for your willingness and support but we will not be able to do the project.

I pledge: _____ Phone: _____

Your name or company name

___ \$25.00 ___ \$50.00 ___ \$100.00
___ \$500.00* ___ \$750.00* ___ \$1000.00*

Other \$ amount: _____
