

# Warren County Small Business Assistance Program

*\*Sponsored by Learn|Grow|Succeed, a collaborative effort to provide small business services and education to businesses and entrepreneurs. Partners include WCEDC, Simpson College, Indianola Record Herald, Indianola Chamber of Commerce, Norwalk Chamber of Commerce & Carlisle Chamber of Commerce.*

**We work with entrepreneurs and small business owners who are looking for assistance with topics such as:**

- **Business planning**
- **Funding and financial management**
- **How to reach customers**

Mentoring and classes are low cost, thanks to the Learn|Grow|Succeed partners, and your first appointment is free.  
Here's how it works:

1. A quick phone interview to determine the kind of small business assistance you need
2. If you're ready for mentoring, the initial meeting with a business advisor is free
3. If you continue with mentoring, the fee is \$50 for three appointments. This provides you and your business with confidential, individual attention.

Space is limited and appointments are available at the WCEDC office, 111 N Buxton in Indianola on Mondays from 12:30-4:30 and Wednesdays from 11:00 -3:00.
