

## What is a Business Ambassador?

Within the Irwindale Chamber of Commerce, Business Ambassadors is a specifically designed group whose VISION is to be the face of the Irwindale Chamber of Commerce by providing networking and business opportunities while growing the business community.

The MISSION of the BUSINESS AMBASSADORS is to connect and strengthen business relationships, communicate chamber benefits, bring exposure to its members and help businesses reach their ultimate goals.

Of all the volunteers in the Chamber, the Business Ambassadors are among the most active. They participate in numerous special events throughout the year, providing the Chamber with hundreds of hours of volunteer time in addition to attending monthly Chamber-sponsored functions. Business Ambassadors represent goodwill on behalf of the Chamber. Active participation by Business Ambassadors helps to improve communication within the business community, which in turn strengthens the image of the Chamber.
