Operation Round Up® Has Donated Over \$85,000 to the Community

Sangre de Cristo Electric formed Operation Round Up® in December 2004, as a charitable organization to help fund local non-profits who provide valuable services to the communities we serve. Since the program's inception Operation Round Up® has contributed over \$85,000.

Paul Erickson, Sangre de Cristo CEO, said "this is truly a milestone for Operation Round Up®. Who would think that about 1,500 members participating in Operation Round Up® could contribute so much to the communities that we live in. Think what 3,000 or even 5,000 members bills being rounded up could do."

Help Operation Round Up® do even more good work in our community by signing up today. You can download an application and a list of the donations from our web page at www.myelectric.coop.
