## SANGRE DE CRISTO ELECTRIC ANNOUNCES 2014 SCHOLARSHIP WINNERS

Dependents of Sangre de Cristo Electric Association (SDCEA) customers recently competed for scholarships provided by the rural electric cooperative and in conjunction with power suppliers Tri-State Generation & Transmission Association and Basin Electric Power Cooperative. Forty-six applications were considered for one four-year scholarship at \$1,500 per year and eleven \$1,500 scholarships funded by SDCEA's unclaimed capital credits. In addition, one \$1,000 scholarship sponsored by Basin Electric and two \$1,000 scholarships sponsored jointly by Tri-State and SDCEA were awarded.

A scholarship committee consisting of SDCEA directors and employees tackled the difficult task of determining scholarship winners.
