

About EPIC...

EPIC Success is a reality based development program that will engage your intellect as you discover or rediscover the four fundamentals to reaching full potential. If within your business initiatives is to gain market-share, increase revenue, lower cost, create greater consumer advocacy, and/or elevate employee satisfaction, this program will deliver the framework for building the needed momentum.

About Michael...

After eight successful years serving as Director of Corporate Development for a billion dollar a year company, Michael Crain has devoted his career to providing other organizations the insights needed to move corporate initiatives forward. Endorsed by people from organizations such as **Liberty Mutual, Harley Davidson, Chase Bank, Pfizer, Wells Fargo, Subway**, Michael delivers solid strategy for sustaining momentum and bringing desired results to reality.

A few words of affirmation...

"As CFO of a billion dollar company facing a changing environment, with narrowing margins, I was skeptical that a training program would survive and make a difference in our company. How wrong was I!"

-Robbyn McDowell

CFO

EMC

"Every presentation by Michael is an amazing blend of humor and valuable insights. His experience and delivery style can elevate any team to higher performance."

-Scott Roth

Former NBA player

Coach/Scout – Milwaukee Bucks

"For the last several years Michael and the team at Performance Architects have contributed to the success of hundreds of businesses. Every presentation has yielded a demand for his immediate return."

-Erik Kilstrom

President

Anthem Chamber of Commerce & SMART Financial
