The mission of The Night's Shield Children's Shelter is to provide a safe haven to children in crisis, especially sibling groups, that have been removed from their homes due to abuse, neglect and/or abandonment and to provide encouragement for their growth and development. The Night's Shield will minimize loss through providing shelter/support and strengthen children/surrounding communities through education and intervention, by providing a safe environment for children to heal and grow, raise community awareness, and take the lead in setting the standard for others to follow.

2016 Winner, Darlene King chose the Honda Accord as her prize. Her son bought her ticket as a Christmas Present.

The funds raised completely paid for a generator that services the entire 14,000 sqft. shelter in case of power loss. Previously, everyone had to be moved to a local church along with all supplies & beds.

### What does \$100 buy at the shelter?

A child's food for a week, 10 kids movie & popcorn ticket, over 30 hours of swimming at the local aquatic center, at least 5 Delicious Ice Cream Birthday Cakes, a dozen sets of PJs for girls or boys, almost 20 bowling games and the kids' shoe rentals, almost a year of on-line media access to educational, recreational, and physical education resources, and 10 pizzas and kids Love Pizza!
