# Leave a Legacy, Give the Gift of Play!

The vision of the Marion Park District is to create a universally designed play environment at Ray Fosse Park that increases the opportunities for children of diverse abilities. With the community's help, we wish to build a playground area that creates a safe and fun environment for children **and** adults of **ALL** abilities. A play and fitness space that becomes a destination for the entire Southern Illinois area to enjoy. This project will include a multi-generational fitness area so both children and adults can lead a more active and healthy lifestyle, spend quality time together and foster new friendships and memories.

Any tax-deductible donations by individuals or businesses are welcome to help in our goal to build the "Inclusive" playground. Any requests or questions need to be directed to the Marion Park District at (618) 993-3940.

The Marion Park District is comprised of seven (7) parks located within the City of Marion. In total our parks are comprised of approximately 115 acres. We feature ten (10) ball fields, twelve (12) soccer fields, four (4) tennis courts, three (3) basketball courts, one (1) skate board park, one (1) roller hockey court, one (1) 18 hole disc golf course and a 220,000-gallon Aquatic Center. All of the parks feature playground equipment as well. In addition, our parks feature two (2) Boy Scout / Girl Scout cabins, which are used for scouting activities and rentals to the general public for a variety of events; we also have fourteen (14) shelters within our park system.

Together, we can continue to create a Parks System that **EVERYONE** can enjoy. Thank you for your support to the Marion Park District.

Ashley Gott, President of Board  
Marion Park District

Jack Reed, Director of Parks and Recreation  
Marion Park District
