SUPPLY ZONE FOR TEACHERS

Located at Clearlake Education Center

Imagine a store where teachers can go to pick up needed materials they will use to teach their students more effectively.

NOW IMAGINE THAT THESE SUPPLIES ARE FREE.

It's not just your imagination, it's real. These supplies are free!

How can these supplies be free?

Because they are donated by companies, community organizations, churches and individuals. These groups understand the importance of putting needed school materials into the hands of educators and the groups are doing something to make it happen.

If you would like to volunteer, donate supplies or are interested in sponsorship opportunities, please contact:
