Brevard Schools Foundation Set to Host 21st Annual Golf Invitational Weekend

Two Events Planned to Raise Funds for Education

Viera, Florida: Tickets and sponsorships are available for the Brevard Schools Foundation's 21st Annual Golf Invitational Weekend presented by Heard Construction. The event begins on May 12, 2017 with a golf marathon taking place at the Par 3 course at Duran Gold Club, followed by the Stroke of Luck Kick-off Party sponsored by Community Credit Union. Back by popular demand is the drawing of chance for \$5,000 to be given away that evening. Tickets are \$100 each, admit two to the party and provide one entry into the drawing of chance. The party includes a casual golf themed evening of food, drinks, music by George Becker and the Indian River Band, Silent Auction, and our skills challenge to kick-off our 21st Annual Golf Invitational. This event will also include a craft beer tasting for just \$20 which features a sampling of 5 locally brewed beers in the following flavors: Horchata Cream Ale, Double IPA, Tangerine Hefeweizen, Pecan Porter and Brown Ale. Winner of the \$5,000 drawing need not be present to win. Only 350 tickets available.

The fun continues on May 15, 2017 at Duran Golf Club for the four player scramble. The tournament day includes a morning golf clinic, continental breakfast, formal luncheon in the Duran Golf Club dining room and plenty of golf contests and surprises. Corporate foursomes are available beginning at \$1,200, and include two tickets for the drawing, with other sponsorships starting at just \$250.

Proceeds from the event will support educational enhancements sponsored by Brevard Schools Foundation for the benefit of Brevard Public Schools. Brevard Schools Foundation is the nonprofit, direct-support organization for Brevard Public Schools providing Take Stock in Children, school supplies for needy students, Bright Ideas Classroom Grants for innovative projects, scholarships for graduating seniors, Space Week, and much more.
