

JUNE IN THE EAU GALLIE ARTS DISTRICT

EGAD's June 2 First Friday is all about female power in the band shell in Eau Gallie Square from 6-9 pm. This is our first time hosting Mackenzie Carey, a singer-songwriter from Central Florida whose musical style is inspired by Miranda Lambert and Kacey Musgraves. Mackenzie has performed on stage at Palm Bay's Rockin' the Bay New Year's Eve with Molly Hatchett, or on the BB Kings Orlando stage with Tunes for Tots. Mackenzie was part of the Brevard Teen Tour, Concert in the Park, and has appeared at Wet N Wild and the Downtown Disney Mainstage. She most recently opened for Jared Blake of Team Blake on NBC's The Voice. Following Mackenzie is Good Luck Audrey, the recent winner of WFIT's Garage Band contest. Their musical influences are Cherri Bomb, Paramore, Relient K, 5 Seconds of Summer, All Time Low, Brand New, and Twenty One Pilots. They are an Alt Rock/Punk/Indie band based in Central Florida.

GOOD LUCK AUDREY
