Why you should be part of this... At StayFit Health Clubs we are hosting the 2nd Annual StayFit Strongman competition to benefit the Children's Burn Foundation of Florida. Our Strongman Competition, last year, gathered over 400 attendees and over 30 competitors. This event is held to bring awareness to the Children's Burn Foundation of Florida. This is a non-profit organization dedicated to providing support to burn survivors' ages 0-18 and their families, as well as fire prevention and safety education. Our 1st event, last year, raised over \$3,500 for the Children's Burn Foundation, and with your help, we hope to exceed that amount this year! We are currently looking for sponsors to help us benefit the children survivors among us! This year's event is going to be better, bigger and stronger! We are hoping to raise over \$10,000 and make difference in these kid's lives!

We will also be hosting our Ribbon Cutting on that date, and all initiation fees of new members will be donated in FULL to the Children's Burn Foundation of Florida. We invite you to take part of this unique event, support a wonderful cause and enjoy spectacular levels of strengths and athlete endurance. Community guests and StayFit members will be able to learn more about your business by you being part of this event!
