***We Are Going To Break The
Guinness World Record For Speed Networking!!!***

Women's Prosperity Network, Melbourne, Florida Chapter is partnering with WomenPartner.org and other businesses to break the Guinness World Record for "most people attending a business speed networking event" (multiple venues). **We have cities across the U.S and Canada scheduled to participate!**

The record to beat is 1068. There will be synchronized events going on around the globe with a LinkedIn spin so that participants can grow their female connections. The events will be free but everyone is asked to donate school supplies for needy children and food for a local food bank. The media will be invited to take pictures and document the community spirit. Dress is business casual.

Visit <http://melbourneflspeednetworking.eventbrite.com> to register and please invite all of your business associates to participate. Our local event will be held at **Pizza Gallery & Grill**, 2250 Town Center Ave. Viera, FL 32940. **142 Productions** will be on hand to video this event. Vendor inquiries are welcome. You can use this opportunity to promote your fall business activities. You will have three opportunities to take part in a free LinkedIn business course conducted via teleconference by WomenPartner.org to help you spruce up your LinkedIn profile and Company Page as well as learn how to utilize the site's other features to your advantage before the speed networking event.

WomenPartner.org is giving away 12 month directory listings and other goodies to female participants who take their survey "What Women Are Missing When It Comes To LinkedIn". Visit <http://womenpartner.org/survey> to take the survey. Questions about the survey and WomenPartner.org can be submitted using the form on <http://womenpartner.org/contact>.

Gentlemen you will be placed on the mailing list to receive the special report that generated from the survey so you can use the info to grow your female client base using LinkedIn. Bookmark <http://womenpartner.org/event/guinness-world-record-attempt> to watch the event come to life. Questions about the event should be directed to Women's Prosperity Network Melbourne Chamber Co-Leaders, Diane Chasick (Diane@chasicklivesmile.com) or Charli Mace (mace@paid2save.com).
