HERB & GLORIA BARKER MAKE A DIFFERENCE!!

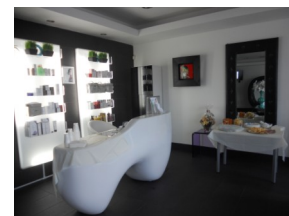

Mr. & Mrs. Barker of Barker Animation, donated beautiful animation artwork to over 50 non-profit agencies in Northeast Miami Dade County. The recipients can use the artwork as they see fit and hopefully to generate much needed program dollars. Our chamber received one Coca-Cola piece and one Disney piece. We thank the Barkers from the bottom of our hearts!!

BOARD OF DIRECTORS SPOTLIGHT: JOE SHAPIRO

Joe Shapiro is academically more than well qualified. He established a management education company in 1975, subsequently expanding to include management consulting services in South Africa.

The company, became a major player in business-to-business consulting education. This exposed him in a practical sense to startups and problem operations of every description - particularly in the arena of small to mid-sized corporations (his key focus).

He brings his firsthand experience to bear in identifying the foremost reasons for inefficiencies in asset management, providing innovative solutions there to. After relocating to North-America in 1984, he joined Equitable Life dealing with individual and business portfolio reviews, with emphasis on Accumulation, Appreciation and Protection.
