BENEFIT CONCERT

In Honor of Tommy Harmon

Live Music

In a world where stories of kindness and community spirit can often feel scarce, Tommy Harmon stood as a beacon of hope and generosity. His sudden passing on November 14, 2024, left a deep void in the hearts of many, but his legacy continues to inspire those who knew him and even those who didn't.

Tommy was a devoted family man and an active member of his community. Whether he was coaching youth sports, mentoring young hunters and anglers, or simply spending quality time with his family and friends, he lived a life dedicated to others. His commitment extended beyond his immediate circle, touching the lives of countless individuals through his selfless acts.

Now, as we honor Tommy's memory, we have the opportunity to give back to the family he cherished. A benefit concert is being organized to support essential home repairs and life expenses for his wife and two sons. This includes finishing their basement to create rooms for the boys, renovating the bathroom, replacing the roof, repainting the exterior, and adding a deck overlooking the beautiful northeast corner of Pomona Lake. Additionally, funds raised will help secure the future education of Tommy's sons.

Join us for an evening of music and remembrance, as we come together to celebrate the life of a man who gave so much to others. Let's ensure that Tommy's family receives the support and care he so generously provided to his community.

Your attendance and contributions will make a significant difference in their lives and honor the incredible legacy of Tommy Harmon. We hope to see you there!
